مدرسة الشعاع الهندية للبنات والبنين Radiant Indian School For Girls & Boys

Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

"

Malcolm X

"Education" breeds confidence. Confidence breeds hope. Hope breeds peace."

- C O N F U C I U S

Education is the most powerful weapon which you can use to change the world."

**NELSON MANDELA** 

## FROM OUR PRINCIPAL

#### Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

• I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Mrs Alka Suxena Principal Radiant School, Sharjah

### FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

### Albert Einstein said, "Education is not about learning of facts but training young

minds to think." We at Radiant School, works towards holistic development of our students by providing them the

tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school's values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the "mystery of birds in the sky, the bees in the sun, the flowers on a green hill", and master the magic of technology.

Shinu Aneesh Vice Principal, Radiant School

- Radiant School has celebrated World Ozone Day on September 16 to spread awareness among students about the depletion of Ozone Layer and find possible solutions to preserve it.
- The theme for the 2023 International Day for the Preservation of the Ozone Layer, is Montreal Protocol: fixing the ozone layer and reducing climate change.
- Students brought papers, color pencils, glue, scissors and some stickers and they made beautiful posters showing the importance of ozone layer. They made beautiful models showing the importance of preventing ozone layer depletion.

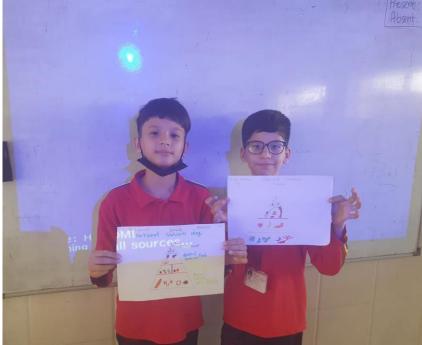

National Nutrition Week Radiant School has celebrated nutrition week to raise awareness among students about the vital role of nutrition and the significance of cultivating among students healthy eating habits.

The theme of Nutrition Month 2023, according to UNICEF, is "Healthy Diet Going Affordable for All.

- Radiant school has celebrated World Food Day to make awareness among students about the importance of food.
- World Food Day takes place annually on 16 October and promotes awareness of hunger and action for the future of food, people, and the planet. The Food and Agriculture Organization of the UN (FAO) designated 16 October as World Food Day in 1979.

• World Food Day is not only about celebrating the amazing food that people have the privilege of indulging in, but it is about raising awareness for people who do not have such privilege. People all over the world suffer from hunger. Starvation is a massive problem in several countries, and we need to do more to raise awareness and combat this problem.

#### WORLD HEART DAY 29<sup>TH</sup>SEPTEMBER

Radiant School has celebrated world heart day with great enthusiasm to raise awareness about cardiovascular diseases and promote heart-healthy lifestyles globally.

The event mainly focus on educating people about the signs and symptoms of cardiovascular disease to avoid any further complications and encouraging people to inculcate healthy lifestyle to prevent and control any heart related ailments. Every year, around 1.7 crores people die due to cardiovascular disease, accounting for approx. 31% of all global mortality.

world Heart Day

**GFP** 

.

- Radiant School has celebrated Breast cancer awareness programme.
- It is a global health initiative that aims to educate students about breast cancer risk factors, tests, and ways to get involved with advocacy. The objective of the WHO Global Breast Cancer Initiative (GBCI) is to reduce global breast cancer mortality by 2.5% per year
- Breast Cancer Awareness Month is held annually in October and aims to promote screening and prevention of the disease, which affects one in eight women in the United States every year and 2.3 million women worldwide.
- The primary goals of this month are to provide information about breast cancer to increase awareness and help people find and access diagnostic testing, which has led to lower death rates for the disease.
- Students made posters, models and Power point presentation related with the topic Breast cancer awareness.
- The pink ribbon is a widely recognized symbol of breast cancer awareness and support.
- This ribbon symbolizes hope, strength and unity. Wearing a pink ribbon shows support for those who are battling the disease, honors the lives lost, and the hope of a brighter future.

# FIELD TRIP

**SHARJAH AQUARIUM** 

- Radiant school has provided opportunity for the students to visit Sharjah Aquarium. Students were accompanied by their class teachers. They started their journey from the school at 9:30 am and reached the aquarium at 10 am. There was one guide who gave guidance to the students and they explained very clearly to the students about the aquarium.
- The Sharjah Aquarium opened up the fascinating realm of the deep sea for the public. Located in Al Khan, This aquarium in Sharjah is the perfect place to witness the local sea life that dwells on the historic coasts of the culturally rich emirate. It is one of the top destinations to visit in Sharjah. But that's not all the aquarium is a lot more than just a place to witness sea life. The aquarium serves as more than just a recreational space. It was built to familiarize the masses with marine life. In 2009, the Sharjah Museums Authority decided to broaden the scope of the aquarium by setting up a marine nature reserve. The place has been working to ensure a safe habitat for sea life to breed and thrive for the past decade
