OUR PRINCIPAL MESSAGE

On behalf of Radiant family I would like to welcome the parents and students to our school and thank you for choosing our new and promising school.

My mission as principal is to always put kids first! My belief is that all students can learn, and it is our job to support all of their needs. As educators, we need to discover how each child learns in order to differentiate our instruction to support diverse learning styles; all children are different. I also want all children to love school! In a collaborative effort, we want children to thrive in all ways possible. At Radiant school, our mission is to provide such an environment for all of our students.

FROM OUR VICE-PRINCIPAL DESK

Twenty five glorious years have gone and the school has grown and flourished into a beautiful campus with well equipped labs and library, spacious class rooms and latest IT facilities and enrolment of over 1000 students. Radiant School, Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each student's potential and confidence.

I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupils time with us. Our moderate School fees are a further attraction to our prospective parents, who bring to our school a richness in background and culture.

Parents! without you, there will be no children to teach. We therefore, acknowledge the vital role you have played at the school. You are always there to encourage and support the staff. You are great parents and we do appreciate you wholeheartedly.

SUPERVISOR

Kindergarten is an exciting and special time for children. At Radiant School Sharjah , we are committed to providing a safe and fun environment that provides a strong educational foundation for each child that walks through our door. Of all the things we do at the Radiant School Sharjah Kindergarten, teaching our students to read and to love books is the most important. We encourage each child to use his or her strengths to become enthusiastic life-long learners. We realize that this adventure is a team effort. We value your Kind understanding and support.

The Goal of the primary section is to provide a stress free education which extends beyond the classrooms. Our aim is to nurture a generation of smart young kids who are encouraged to think, question and reason rather than restricting their creativity to mere text book knowledge.

RED COLOUR DAY –

17.04.23

INTRODUCTION:

The Red Colour Day celebration was organized at Radiant Galaxy Department for KG1 AND KG2 on 17.04.2023. The objective of this event was to introduce and reinforce the concept of colors to the kindergarten students, with a specific focus on the color red. This report summarizes the activities and highlights of the Red Colour Day celebration.

PREPARATIONS:

Prior to the event, the kindergarten staff made necessary arrangements to ensure a vibrant and engaging celebration. The classrooms were decorated with red-colored balloons. The teachers encouraged students to wear red-colored clothing and accessories for the day.

The Red Colour Day celebration at Radiant Galaxy department was a resounding success. The students thoroughly enjoyed participating in the various activities centered around the color red. This event not only enhanced their understanding of colors but also promoted creativity, social interaction, and confidence among the students.

We are grateful to the dedicated teachers, staff, and parents for their active involvement and support in making this celebration memorable for the kindergarten children.

WORLD HERITAGE DAY –

11.04.2023

INTRODUCTION:

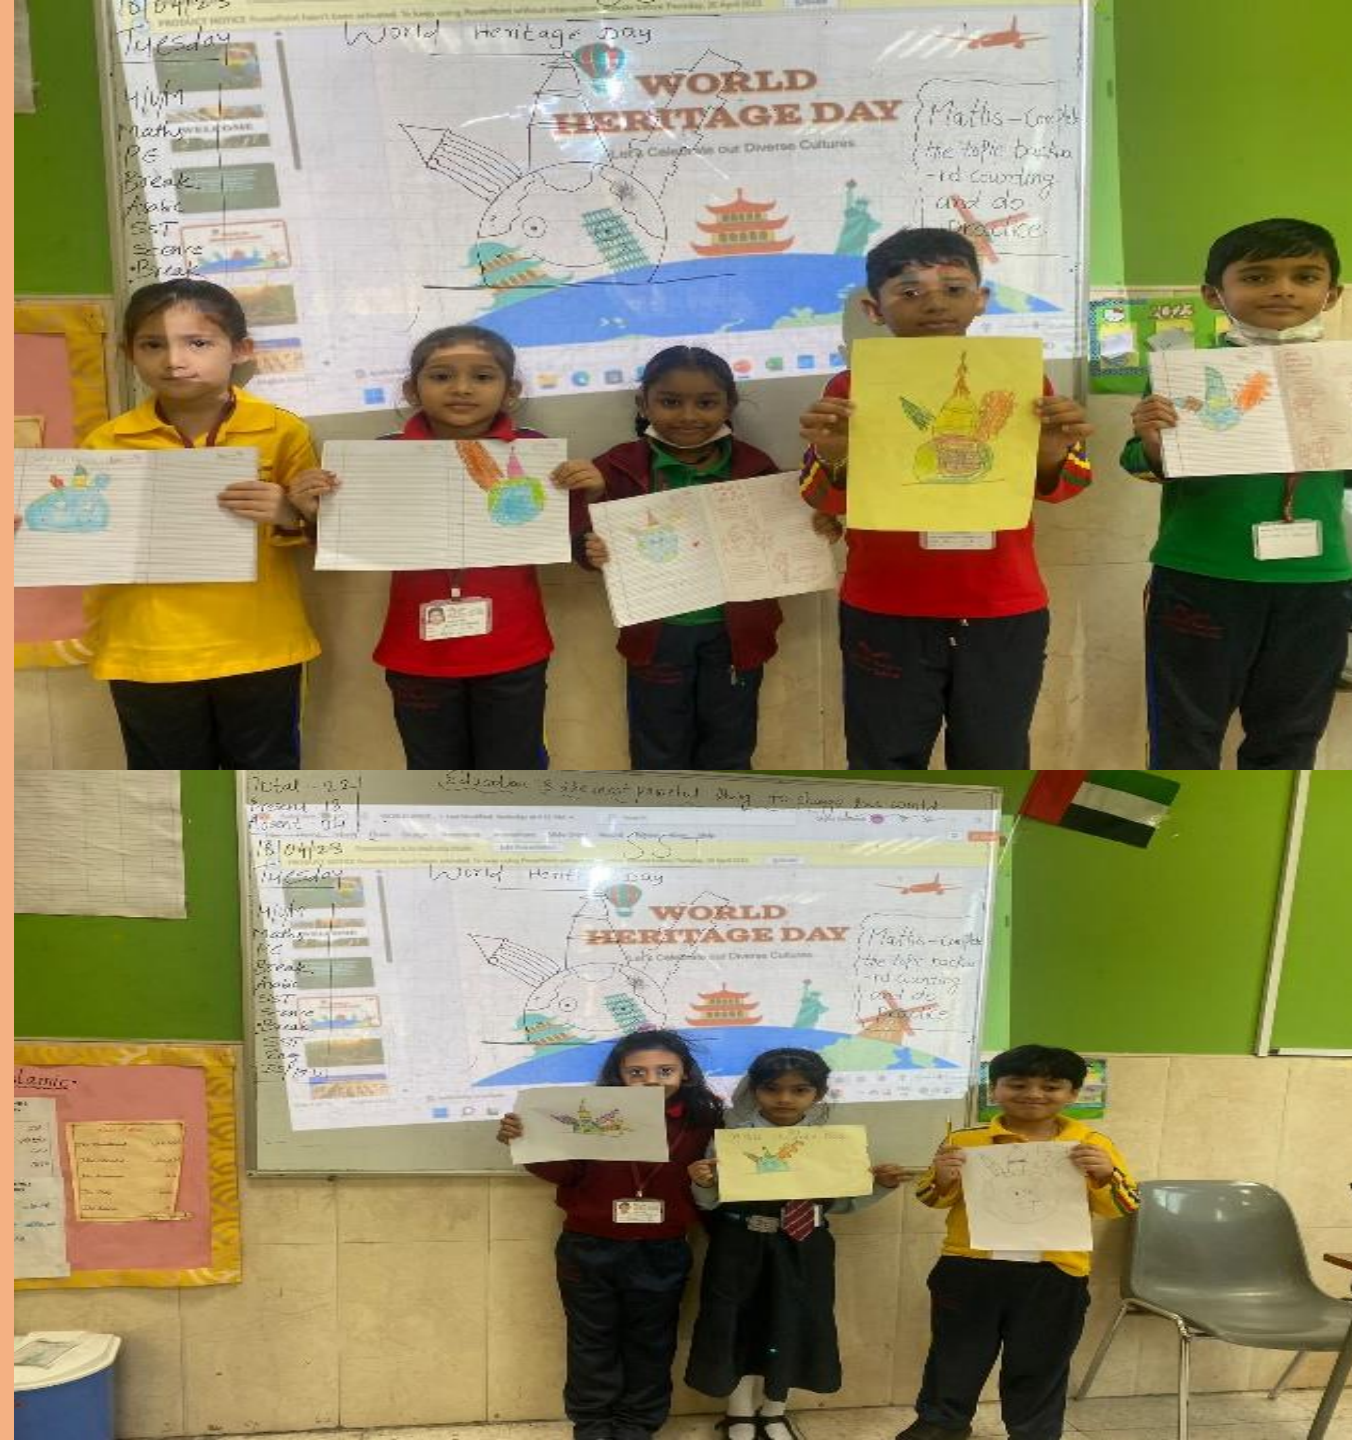

World Heritage Day is celebrated on 11.04.2023 every year to raise awareness about the importance of preserving and protecting our cultural and natural heritage. It is a day when people around the world come together to appreciate and learn about the unique sites and traditions that make up our shared human history. In this report, we will explore the significance of World Heritage Day and some of the activities that took place to celebrate it.

ACTIVITIES:

Heritage Site Visits Virtual: Students had the opportunity to visit local heritage sites, such as historical monuments or natural reserves, accompanied by their teachers or parents. They learned about the significance of these sites and their role in preserving our culture and environment.

Presentations and Discussions: Teachers conducted presentations and discussions in classrooms about famous heritage sites around the world. They shared interesting facts, stories, and photographs to engage students in learning about different cultures and histories.

Storytelling Sessions: Storytelling sessions were organized, where teachers or invited guests narrated folktales, myths, and legends associated with heritage sites. This activity fostered an interest in history and cultural storytelling.
