OUR PRINCIPAL MESSAGE

On behalf of Radiant family I would like to welcome the parents and students to our school and thank you for choosing our new and promising school.

My mission as principal is to always put kids first! My belief is that all students can learn, and it is our job to support all of their needs. As educators, we need to discover how each child learns in order to differentiate our instruction to support diverse learning styles; all children are different. I also want all children to love school! In a collaborative effort, we want children to thrive in all ways possible. At Radiant school, our mission is to provide such an environment for all of our students.

Mrs Alka Suxena
Principal
Radiant School, Sharjah

Fathima Ahmed, Shinu Aneesh
Vice Principal,
Radiant School

FROM OUR VICE-PRINCIPAL DESK

Twenty five glorious years have gone and the school has grown and flourished into a beautiful campus with well equipped labs and library, spacious class rooms and latest IT facilities and enrolment of over 1000 students. Radiant School, Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each student's potential and confidence.

I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupils time with us. Our moderate School fees are a further attraction to our prospective parents, who bring to our school a richness in background and culture.

Parents! without you, there will be no children to teach. We therefore, acknowledge the vital role you have played at the school. You are always there to encourage and support the staff. You are great parents and we do appreciate you wholeheartedly.

SUPERVISOR

Kindergarten is an exciting and special time for children. At Radiant School Sharjah , we are committed to providing a safe and fun environment that provides a strong educational foundation for each child that walks through our door. Of all the things we do at the Radiant School Sharjah Kindergarten, teaching our students to read and to love books is the most important. We encourage each child to use his or her strengths to become enthusiastic life-long learners. We realize that this adventure is a team effort. We value your Kind understanding and support. The Goal of the primary section is to provide a stress free education which extends beyond the classrooms. Our aim is to nurture a generation of smart young kids who are encouraged to think, question and reason rather than restricting their creativity to mere text book learning.

KG TO 1 SUPERVISOR

MRS. SYEDA SANA RIZVI

ANIMAL CHARACTER PARADE

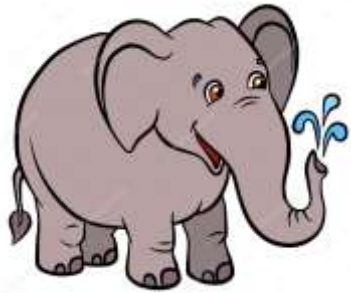

INTRODUCTION:

The Animal Character Parade conducted by the kindergarten students was a delightful and educational event where children had the opportunity to dress up as their favourite animals and share interesting facts about them. This report aims to provide an overview of the Animal Character Parade, highlighting the organization, activities, and the impact it had on the participating kindergarten students.

EVENT SUMMARY:

The Animal Character Parade aimed to encourage creativity, foster knowledge about animals, and enhance public speaking skills among kindergarten students. The event provided an engaging platform for children to immerse themselves in a fun-filled environment while showcasing their favourite animal characters.

ICT WEEK CELEBRATION

INTRODUCTION:

The ICT (Information and Communication Technology) Week Celebration for KG1 to Grade 1 students is a special event that aims to introduce young learners to the world of technology, enhance their digital literacy skills, and foster an interest in ICT from an early age. This report provides an overview of the ICT Week Celebration for KG1 to Grade 1 students, highlighting the activities and their impact on the participating students.

EVENT SUMMARY:

The ICT Week Celebration for KG1 to Grade 1 students was designed to create an interactive and engaging environment where young learners could explore technology in a fun and age-appropriate manner. The event aimed to promote digital literacy, introduce basic ICT concepts, and spark curiosity and interest in the world of technology.

ACTIVITIES:

1. GRADE KG1: INTRODUCTION OF HARDWARE AND SOFTWARE ACTIVITY
2. GRADE KG2 – INTRODUCTION OF INTERNET SAFETY ACTIVITIES
3. GRADE 1- INTRODUCTION OF CODING TO STUDENTS AND INTRODUCTION OF HARDWARE AND SOFTWARE ACTIVITY

RESULTS AND IMPACT:

- 1. Early Exposure to Technology:** The ICT Week Celebration provided KG1 to Grade 1 students with early exposure to technology in a controlled and educational environment. This exposure helped familiarize students with digital tools and concepts, preparing them for future learning and technological advancements.
- 2. Digital Literacy Development:** Through interactive activities and workshops, students developed basic digital literacy skills. They learned to navigate digital devices, use educational apps, and understand fundamental concepts related to technology, fostering their technological proficiency from a young age.
- 3. Creativity and Expression:** Digital art activities allowed students to unleash their creativity and express their ideas through digital platforms. They developed visual storytelling skills, learned to manipulate digital tools, and explored different mediums, promoting their artistic and creative abilities.
- 4. Safe Internet Practices:** Sessions on internet safety and digital citizenship equipped students with knowledge about responsible online behaviour. They learned to recognize potential online risks and understand the importance of protecting themselves and others in the digital world.
- 5. Engagement and Interest:** The ICT Week Celebration generated excitement and interest among KG1 to Grade 1 students. The hands-on activities, virtual field trips, and interactive sessions captured their attention, making the learning experience enjoyable and memorable.

INTERNATIONAL NURSE DAY

OBJECTIVES OF THE CELEBRATION:

- 1. The main objective of these activities is to enhance the critical thinking skills and decision-making skills of the students. This also helped the children to be in discipline in outer world as well.**

ACTIVITIES

1. *Grade KG1 to Grade 1 – card making by students for school nurse Mrs. Sheetal*

CONCLUSION

- Children enjoyed the activity and photos were clicked while doing the activity.
- Students will be able to recognize the effort and value of nurses and they enjoyed the activity a lot.

MOTHERS DAY CELEBRATION

INTRODUCTION:

Mother's Day is an annual celebration observed in many countries around the world to honor and appreciate mothers and mother figures for their love, care, and sacrifices. One of the most common ways to express gratitude on Mother's Day is by creating heartfelt handmade cards. This report aims to provide an overview of a Mother's Day celebration card-making event and highlight the importance of this activity.

Event Summary:

The Mother's Day celebration card-making event was organized to provide a platform for participants to create personalized cards for their mothers or mother figures. The event aimed to foster creativity, express love and gratitude, and strengthen the bond between mothers and their children.
