

**RADIANT INDIAN SCHOOL FOR
GIRLS AND BOYS SHARJAH**
NEWS LETTER
SEPTEMBER AND OCTOBER 2023

KG AND GRADE 1 DEPARTMENT

OUR PRINCIPAL MESSAGE

On behalf of Radiant family I would like to welcome the parents and students to our school and thank you for choosing our new and promising school.

My mission as principal is to always put kids first! My belief is that all students can learn, and it is our job to support all of their needs. As educators, we need to discover how each child learns in order to differentiate our instruction to support diverse learning styles; all children are different. I also want all children to love school! In a collaborative effort, we want children to thrive in all ways possible. At Radiant school, our mission is to provide such an environment for all of our students.

Mrs Alka Suxena
Principal
Radiant School, Sharjah

SUPERVISOR

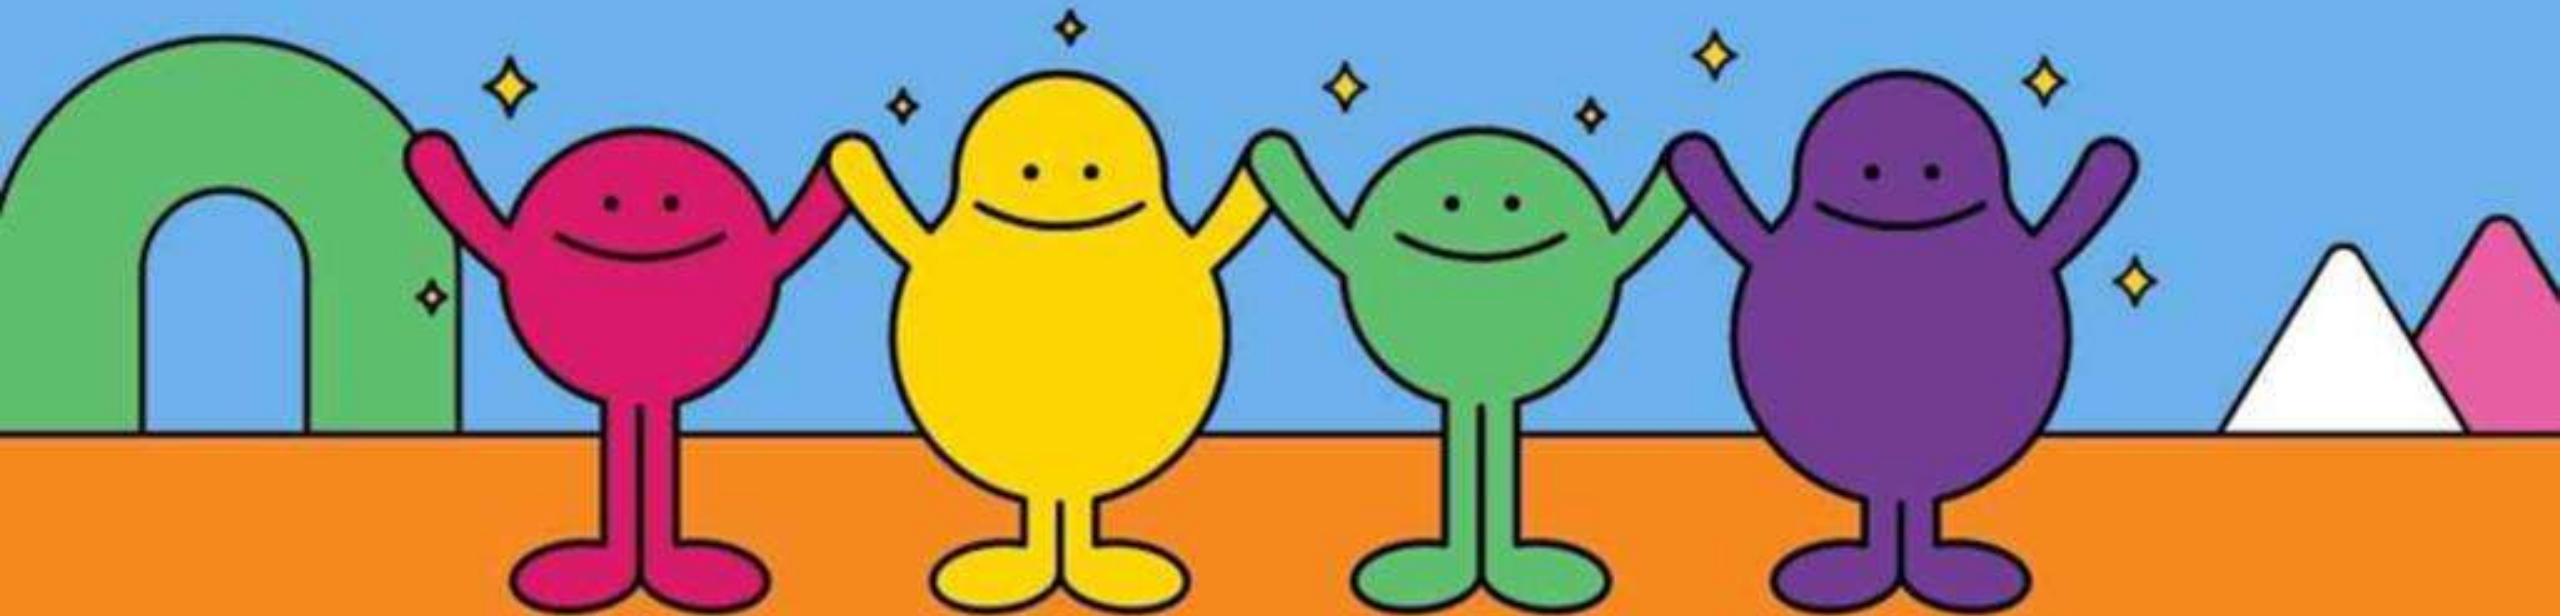

Kindergarten is an exciting and special time for children. At Radiant School Sharjah , we are committed to providing a safe and fun environment that provides a strong educational foundation for each child that walks through our door. Of all the things we do at the Radiant School Sharjah Kindergarten, teaching our students to read and to love books is the most important. We encourage each child to use his or her strengths to become enthusiastic life-long learners. We realize that this adventure is a team effort. We value your Kind understanding and support.

The Goal of the primary section is to provide a stress free education which extends beyond the classrooms. Our aim is to nurture a generation of smart young kids who are encouraged to think, question and reason rather than restricting their creativity to mere text book knowledge.
