From Our Principal Desk :

Dear Parents,

Radiant school Sharjah emphasizes on all round development of extra-curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who bring to our school a richness in background and culture.

Thanks and regards

Mrs Alka Suxena

Principal

Radiant school, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

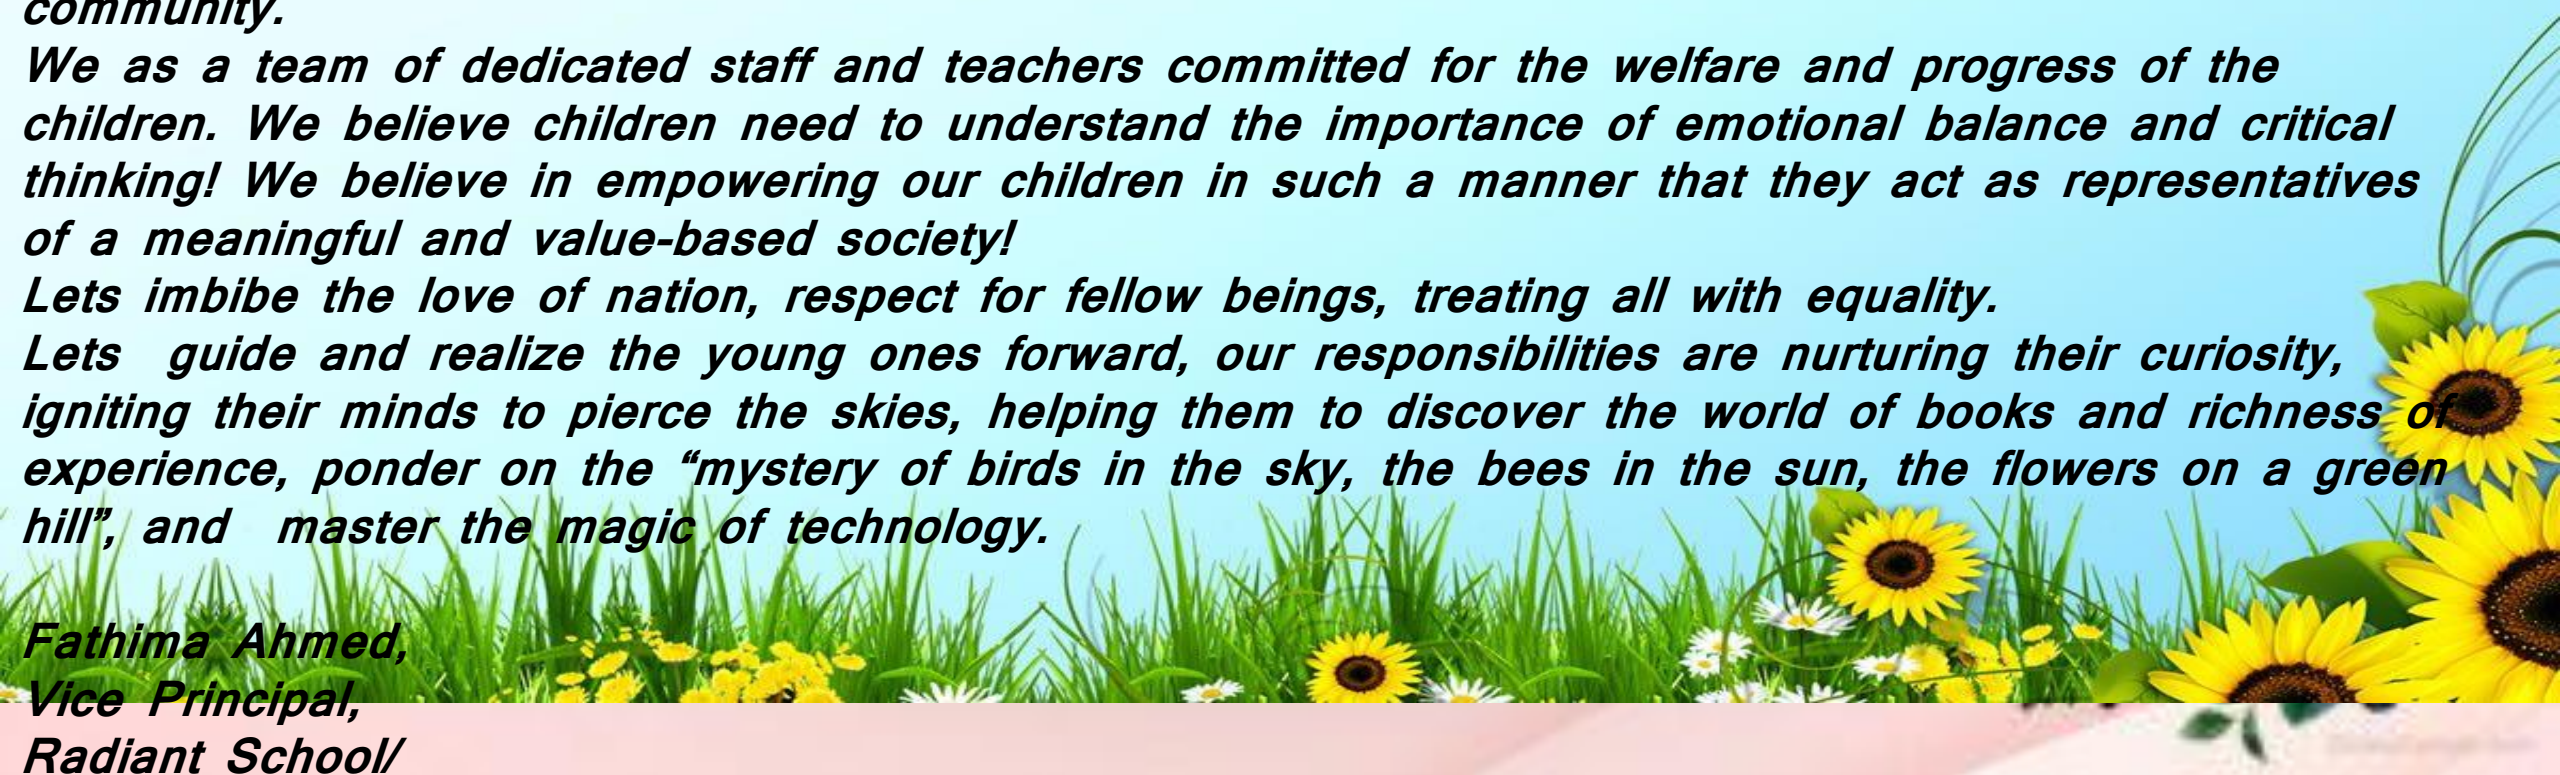

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

*Fathima Ahmed,
Vice Principal,
Radiant School/*

SPORTS DAY

INTRODUCTION:

Sports can also help children to develop their social skills and help to set them up for positive relationship building for life. Through an event like a sports day children get the chance to show leadership, teamwork and communication skills, as they interact with new people and face new challenges. Participation in sports can have a positive impact on a child's self-esteem and overall confidence levels.

PROCEDURE :

On 2-11-2023 Thursday our school celebrated Annual Sports Day with great enthusiasm. The program started with a special Assembly and prayer at 12:00 am.

All the students and teachers were very energetic that day; enthusiasm could be easily seen in their eyes. Our principal ma'am Mrs Alka Suxena inaugurated the program by lightening the lamp and also gave a motivational speech, in which ma'am advised everyone to participate in the field of sports and told many benefits of doing sports.

On this day students participated in the games according to their House wise (Red, Blue, Green, Yellow). Various sports programs were organized by the School Sports Department All the games were organized in our school playground. The first running race was held in which both students and teachers participated. After this One leg race, straw and stick race, and lemon and spoon etc.

CONCLUSION

The students actively participated in the activities, and they were very happy. It gave the students an opportunity to learn more about Sports. Our school supervisor Ms.Revathi mam provided proper feedback and motivation for the students to encourage them.

PEACE DAY

OBJECTIVE

- Peace Day provides a globally shared date for all humanity to commit to Peace above all differences and to contribute to building a Culture of Peace.

PROCEDURE

- Radiant school conduct Peace day activity during zero period. The International Day of Peace is recognised to educate students about the importance of peaceful coexistence and conflict prevention. The day was founded with a strong aim to create a non-violent and harmonious world.

CONCLUSION

All students in Grade 2 to 4 actively participated in this activity. They make poster nicely with enthusiasm. While attending these activity children get more knowledge about Peace day.

UAE FLAG DAY

The UAE celebrates Flag Day on November 3rd, making it a key date in the calendar. This annual celebration, which symbolizes unity, pride and nationalism, is of great importance to the country.

Today's assembly was conducted by grade 3C students. Students are actively participated in each event. They are performed very well. The co-operation shown by the children to conduct a good assembly is worthy of pride. There are special activities about UAE flag Day in today's assembly, it was as usual assembly. Assembly was held by boy's playground and timing at 7.30am to 8.00am. Our principal, vice principal, primary section supervisor and all grade 2 to 4 teachers are attended the assembly. The activities performed by grade 3C students & Grade 2 to 4 students also.

3C

PIC•COLLAGE

OBJECTIVE:

The objective of this project was to engage students in a creative activity that promotes teamwork, artistic expression, and a deeper understanding of national symbols. Students were tasked with designing and constructing a national day flag using vegetables, fruits, and paint, fostering a hands-on learning experience.

PROCEDURE:

At the beginning of the activity, students were introduced to the concept of national flags. They researched the colors and symbols of their UAE country's flag to ensure accurate representation.

Students arranged the cut vegetables and fruits on the large sheets of paper or fabric, adhering to their planned designs. Paint was used to fill in areas not covered by produce and to enhance specific details of the flag. Using the chosen national flag colors, students applied paint to the flag to create a cohesive and visually appealing design. Some students opted to incorporate additional craft supplies, such as glitter or markers, to add extra details and creativity.

Grade3B

BEST OUT OF WASTE

OBJECTIVE:

- To understand the environmental impact of waste.
- To raise awareness among children to reduce the amount of waste that will need to be recycled.
- To indulge the students into an extracurricular activity with waste material.

PROCEDURE:

The teacher explained and showed the videos the process of converting waste materials and objects. Best out of waste initiatives present an innovative and sustainable approach to address this issue by turning trash into useful and appealing products.

OUTCOMES:

Observation skills, time management skill and thinking skill

CONCLUSION:

Students understood that how to use waste products in the best possible ways and this activity will motivate the student's interest.

SCIENMATICS EXHIBITION

OBJECTIVES

- Students will be able to promote interest in science and technology.
- Students will be able to increase the knowledge in Mathematics and reasoning.
- It will help the children to improve their innovative and creative ideas.

INTRODUCTION:

Science exhibitions play an important role in encouraging students to be inquisitive and think analytically. Exhibitions are a great opportunity for exhibitors to connect with prospects through face-to-face communication and engagement, rather than through cold calls or emails. As an exhibitor, you can interact with attendees to inform them of your company, its offers and its value in a more relaxed and personal atmosphere.

PROCEDURE

To understanding the creativity skill of students Science and Math's departments was together conducted SCIENMATICS EXHIBITION 2023 on 5th Dec 2023. On the exhibition day students exhibit different innovative works like Still models, Puzzles, working models, Charts etc.

FATHER'S DAY

INTRODUCTION ABOUT FATHERS DAY:

Father's Day is celebrated to honor the importance that a father plays in the family as a protector. This day is dedicated to all the fathers who stand as a pillar for their family members. Father's Day is a day to show our love and gratitude to our fathers and make them feel special.

ACTIVITY:

Students had make a poster about Father's day

PROCEDURE:

Teacher explained the importance of father's day for the students. Teacher showed more posters and videos for the students. The purpose of the poster is to attract participants, convey essential event information, and generate excitement and interest in the Father's Day.
