

RADIANT INDIAN SCHOOL FOR GIRLS & BOYS, SHARJAH

NEWSLETTER GRADE 5-7

2023-2024

**NOVEMBER -
DECEMBER**

“

Education is about
empowerment, about
cultivating a human being to
the highest possible potential –
a tool for fulfilling the
immensity of Being.

Sadhguru

FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Mrs. Alka Suxena
Principal
Radiant School, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Shinu Aneesh
Vice Principal,
Radiant School

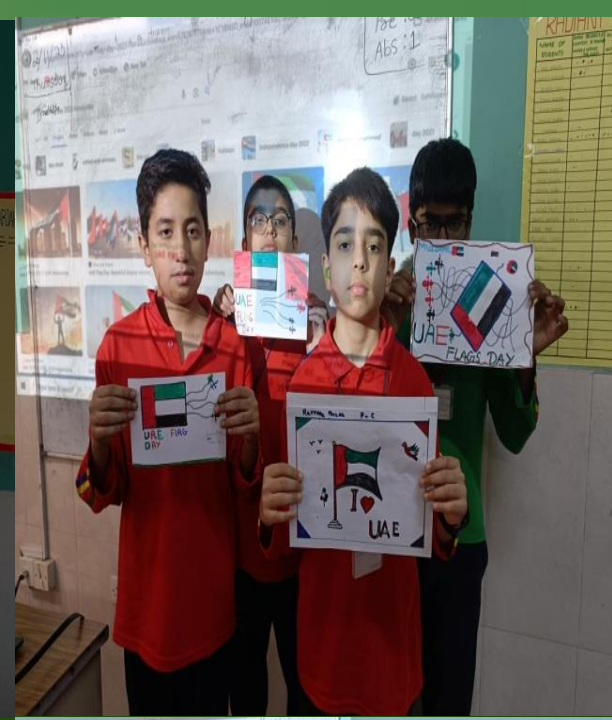

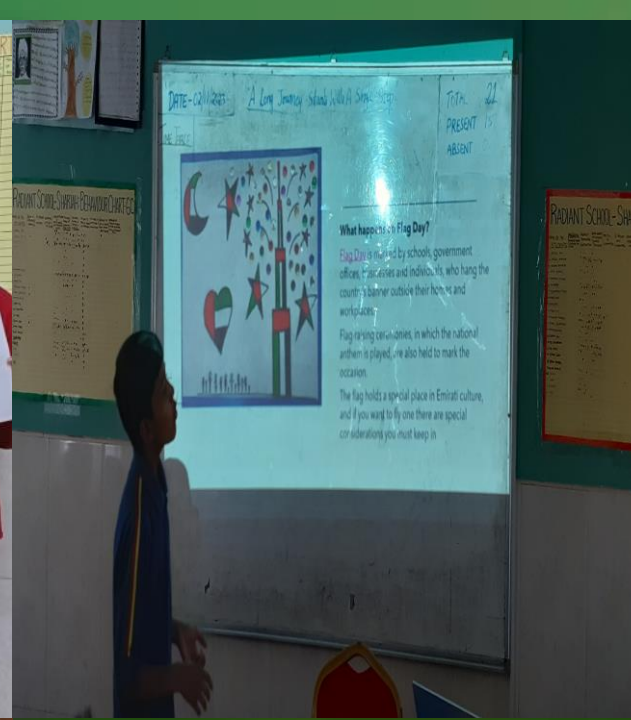

UAE

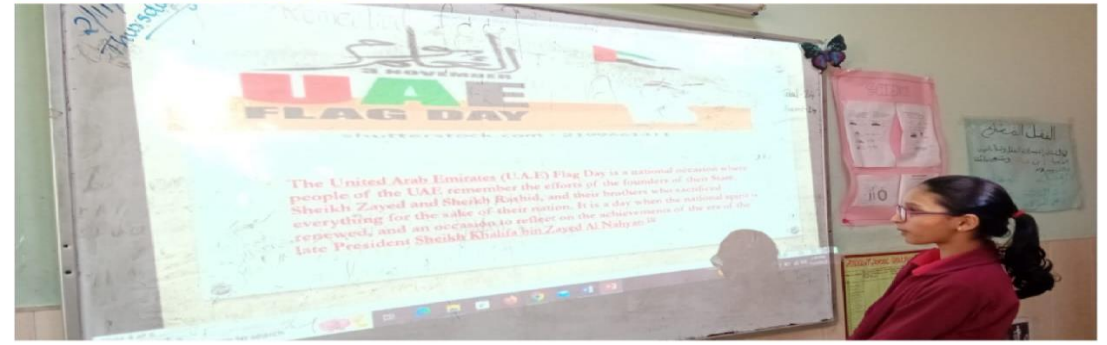

FLAG DAY

Raise it high
and raise it proud!

- ❑ On Thursday, November 3, the country celebrates UAE Flag Day. It marks the anniversary of His Highness Sheikh Khalifa bin Zayed Al Nahyan becoming the President of the UAE in 2004. The national campaign was launched in 2013 by HH Sheikh Mohammed bin Rashid Al Maktoum, Vice President of the UAE and Ruler of Dubai, to honor the country's past, present and future.
- ❑ The UAE flag is made up of four colours– red, green, white and black. According to an official guide: Red symbolizes the sacrifices of previous generations who laid the foundations for the union. Green symbolizes growth, prosperity and cultural renaissance. White displays the nation's charitable contributions and support for security and peace in the world. Black reflects the strength of Emiratis and their rejection of injustice and extremism.

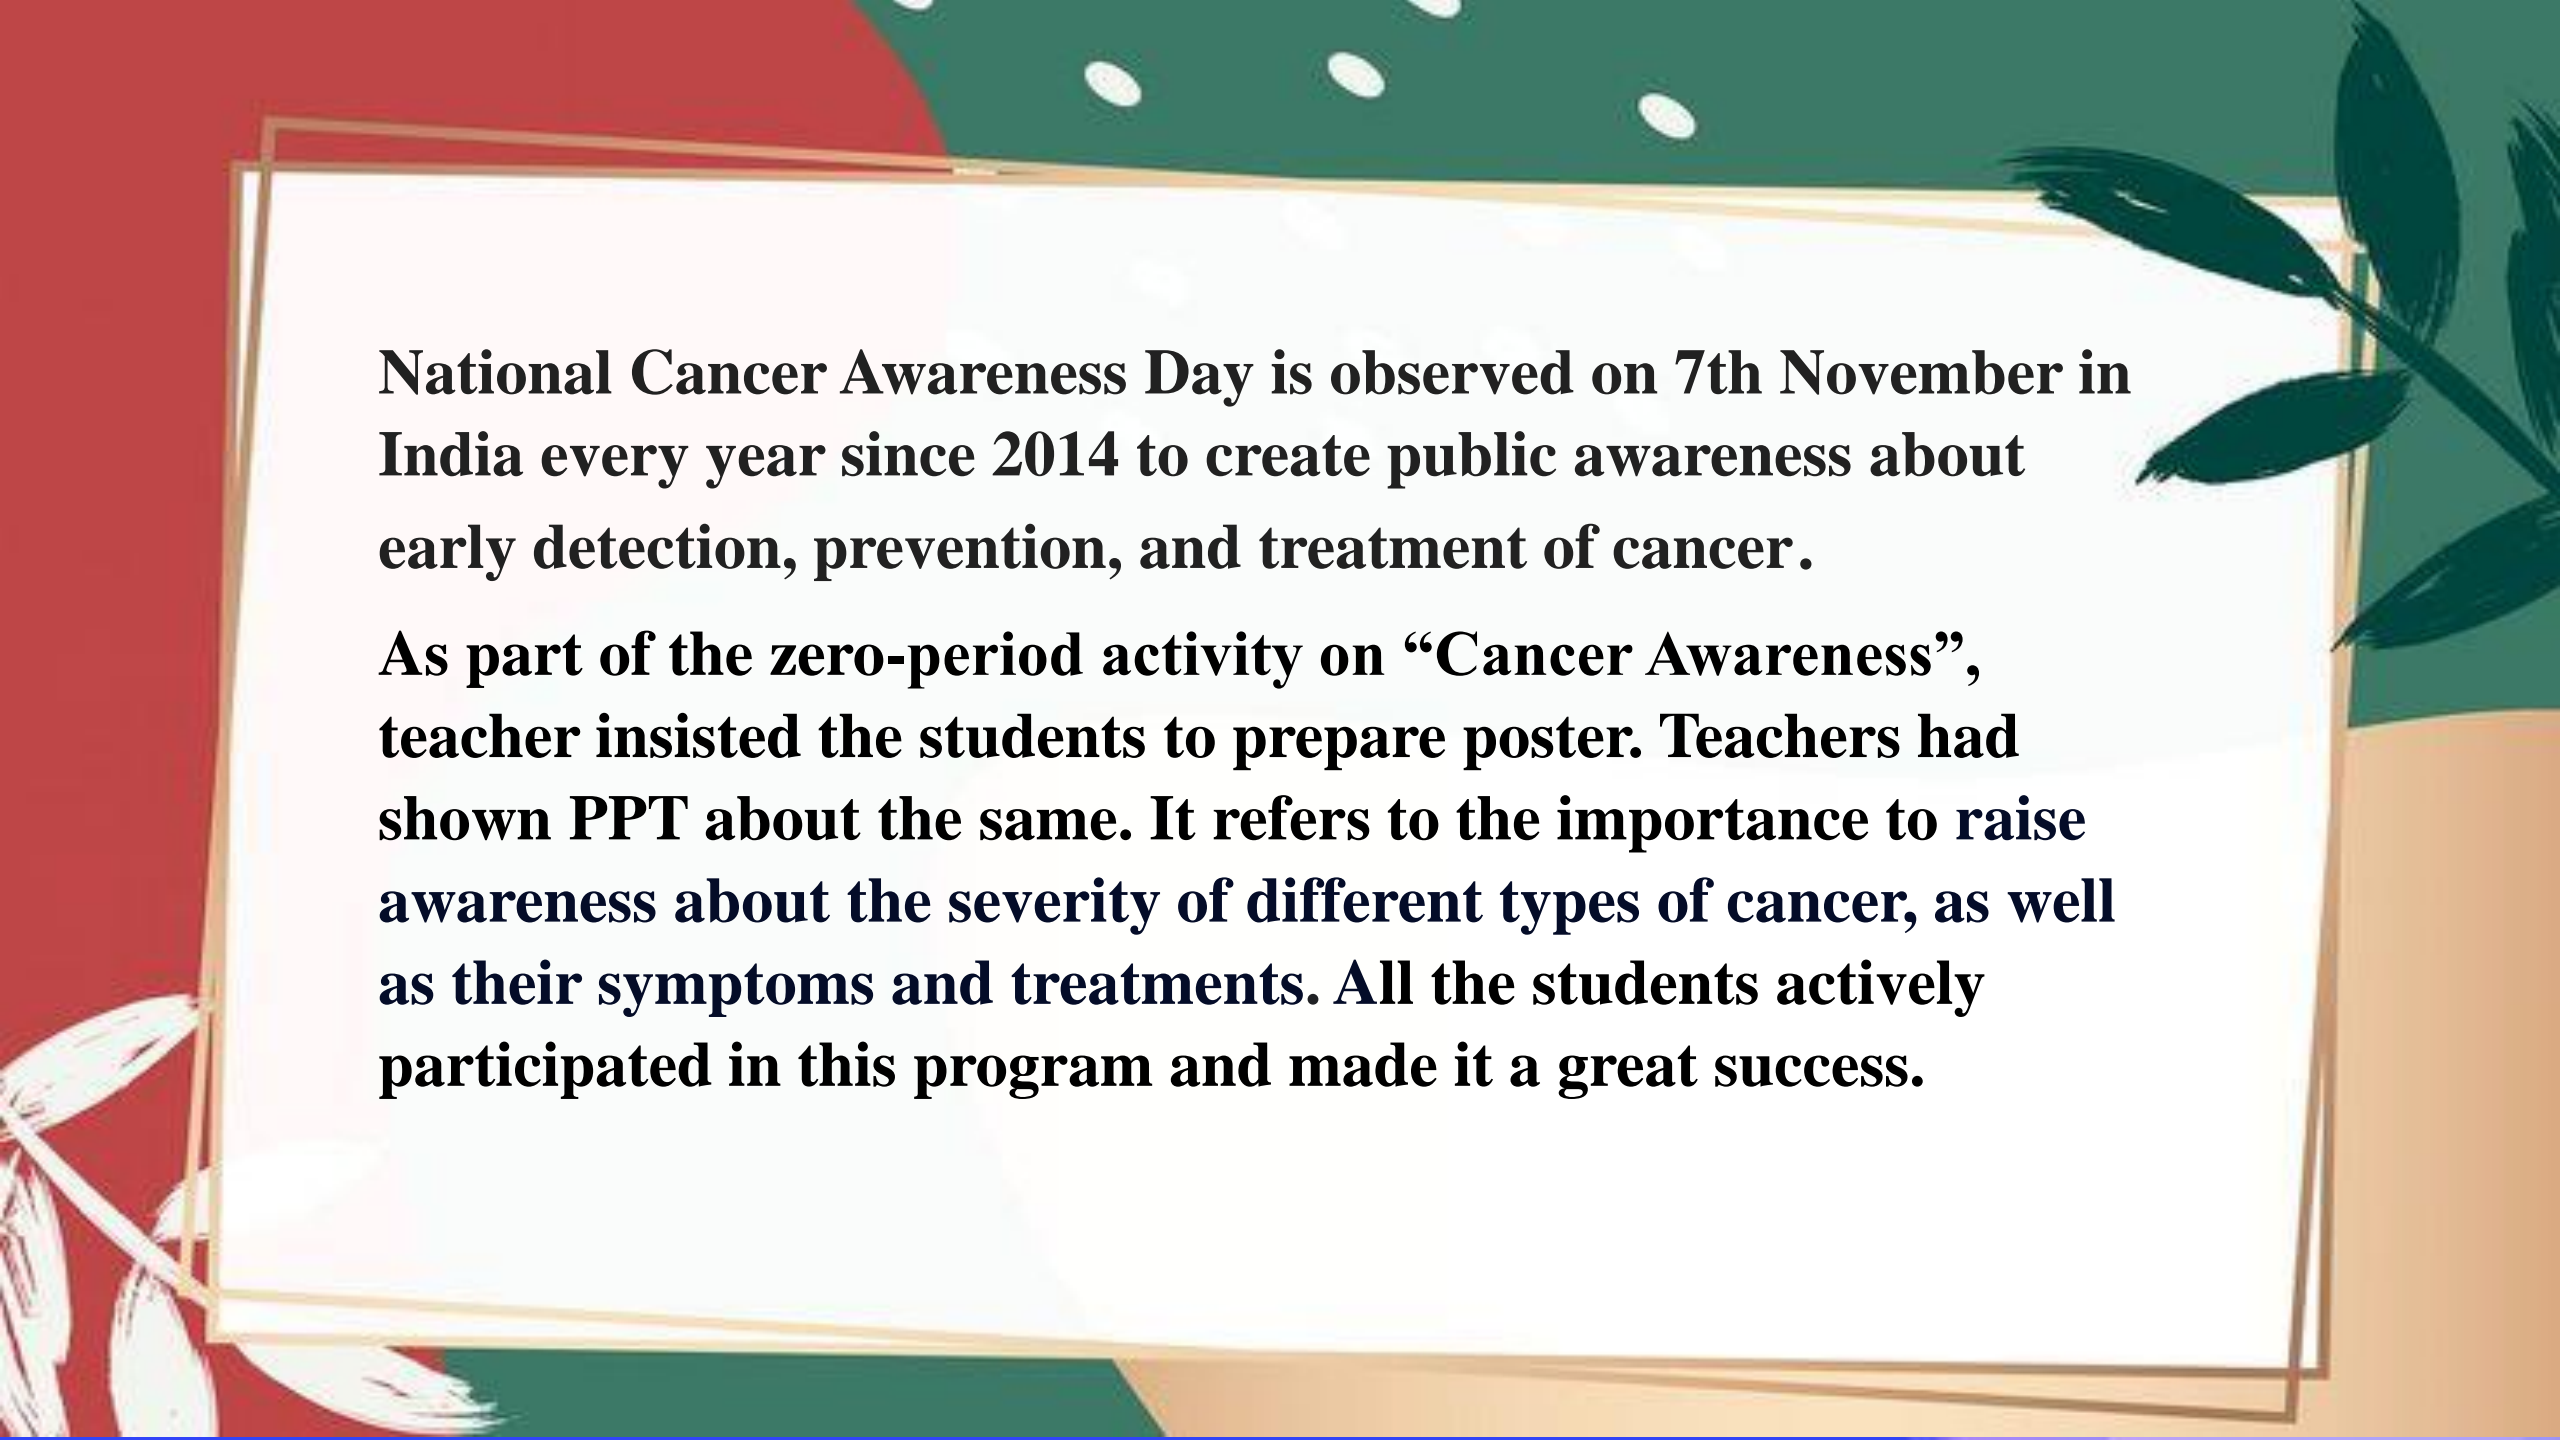

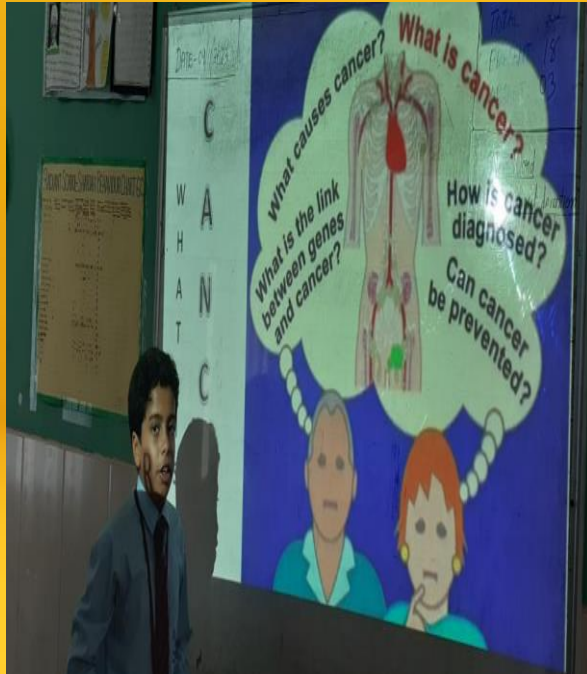

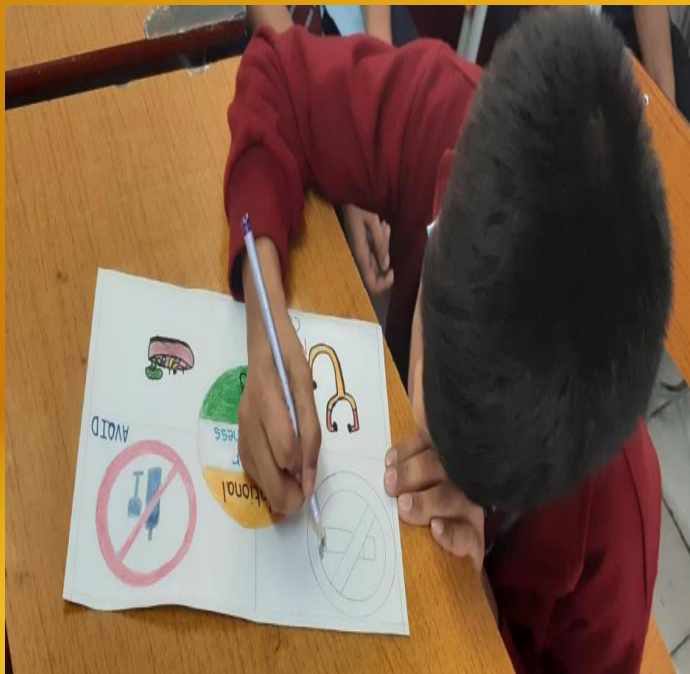

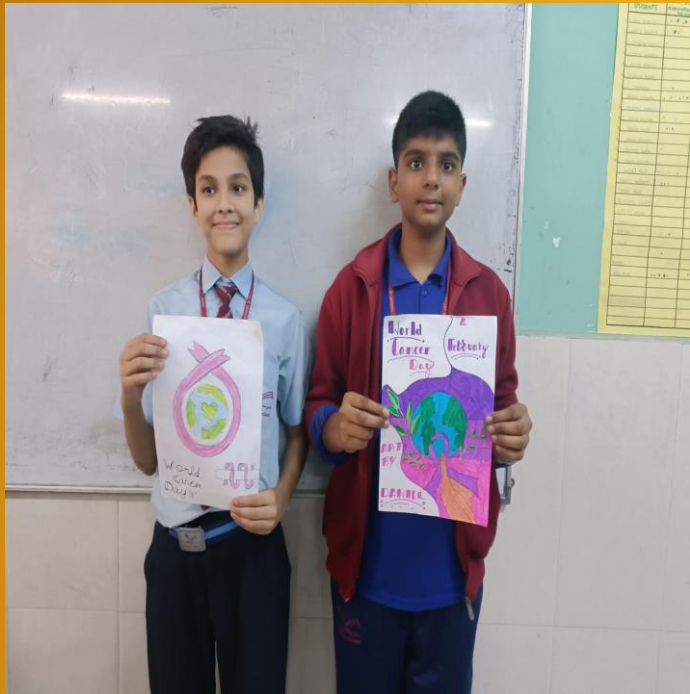

— NATIONAL —
CANCER
AWARENESS
DAY
— NOVEMBER 07 —

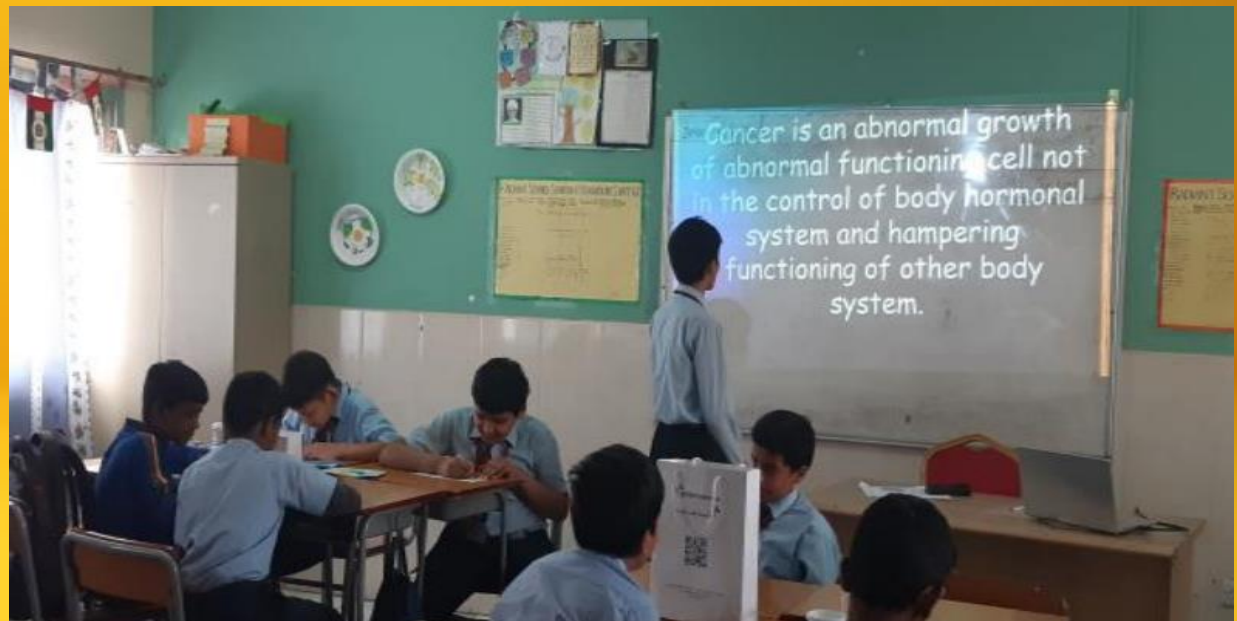

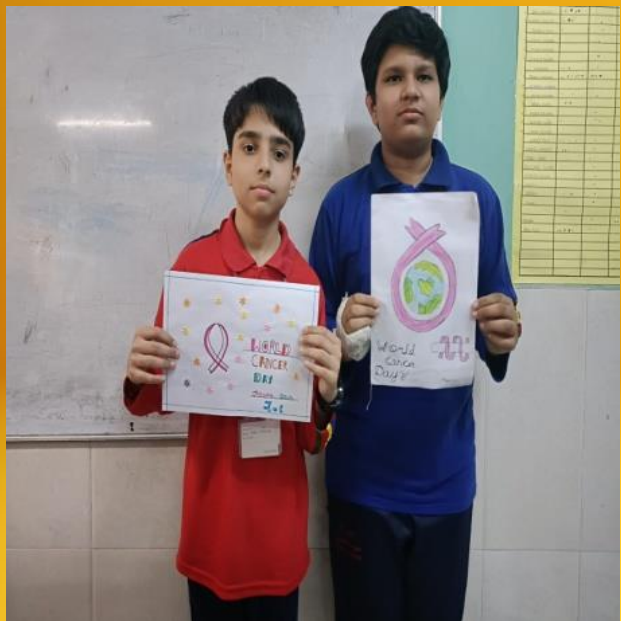

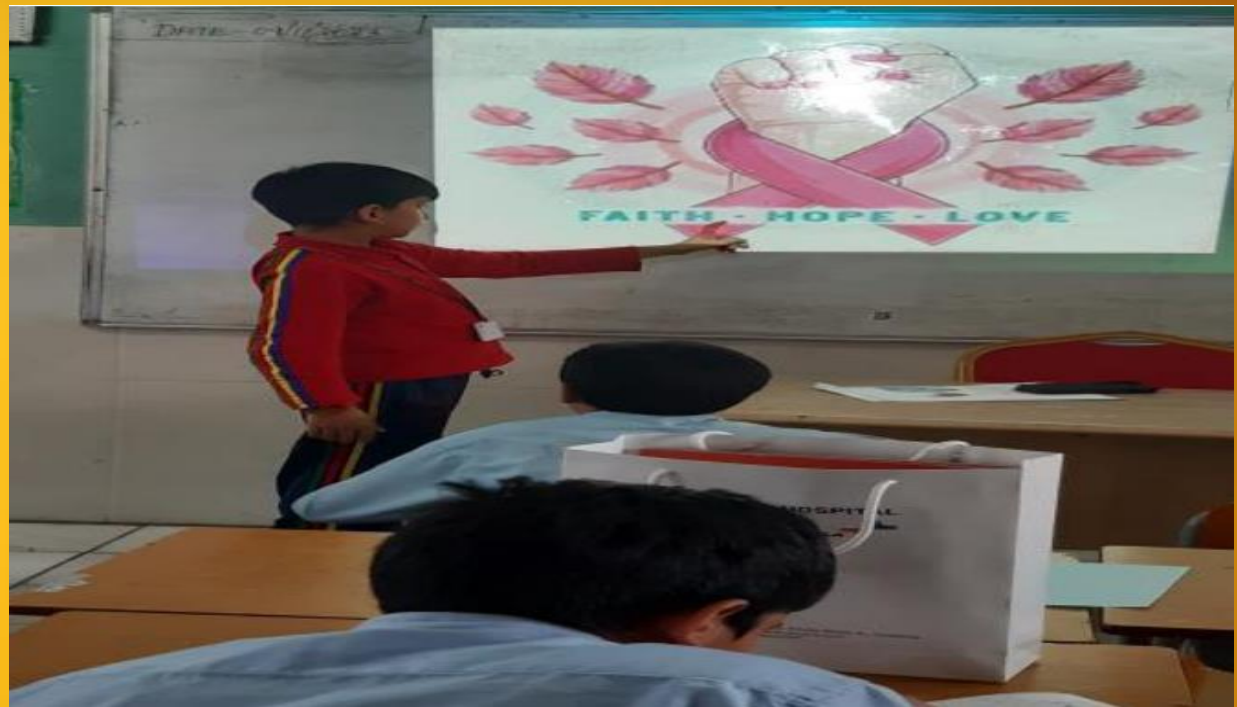

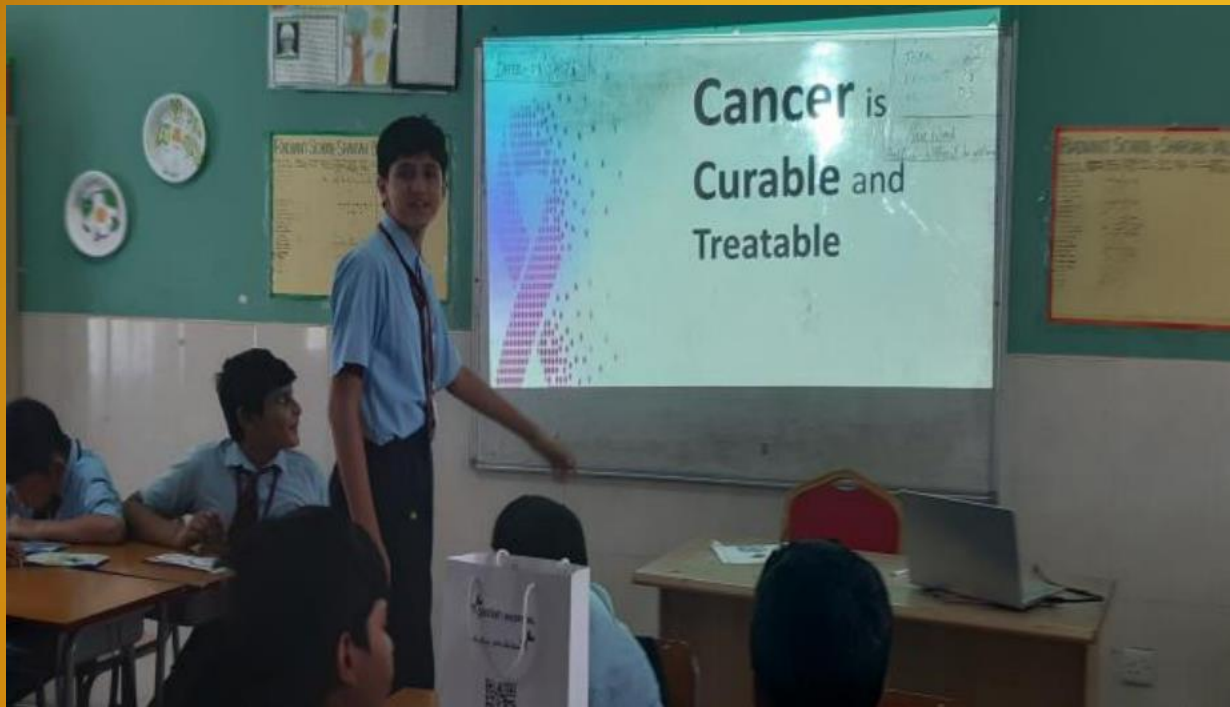

National Cancer Awareness Day is observed on 7th November in India every year since 2014 to create public awareness about early detection, prevention, and treatment of cancer.

As part of the zero-period activity on “Cancer Awareness”, teacher insisted the students to prepare poster. Teachers had shown PPT about the same. It refers to the importance to raise awareness about the severity of different types of cancer, as well as their symptoms and treatments. All the students actively participated in this program and made it a great success.

SHARJAH INTERNATIONAL BOOK FAIR

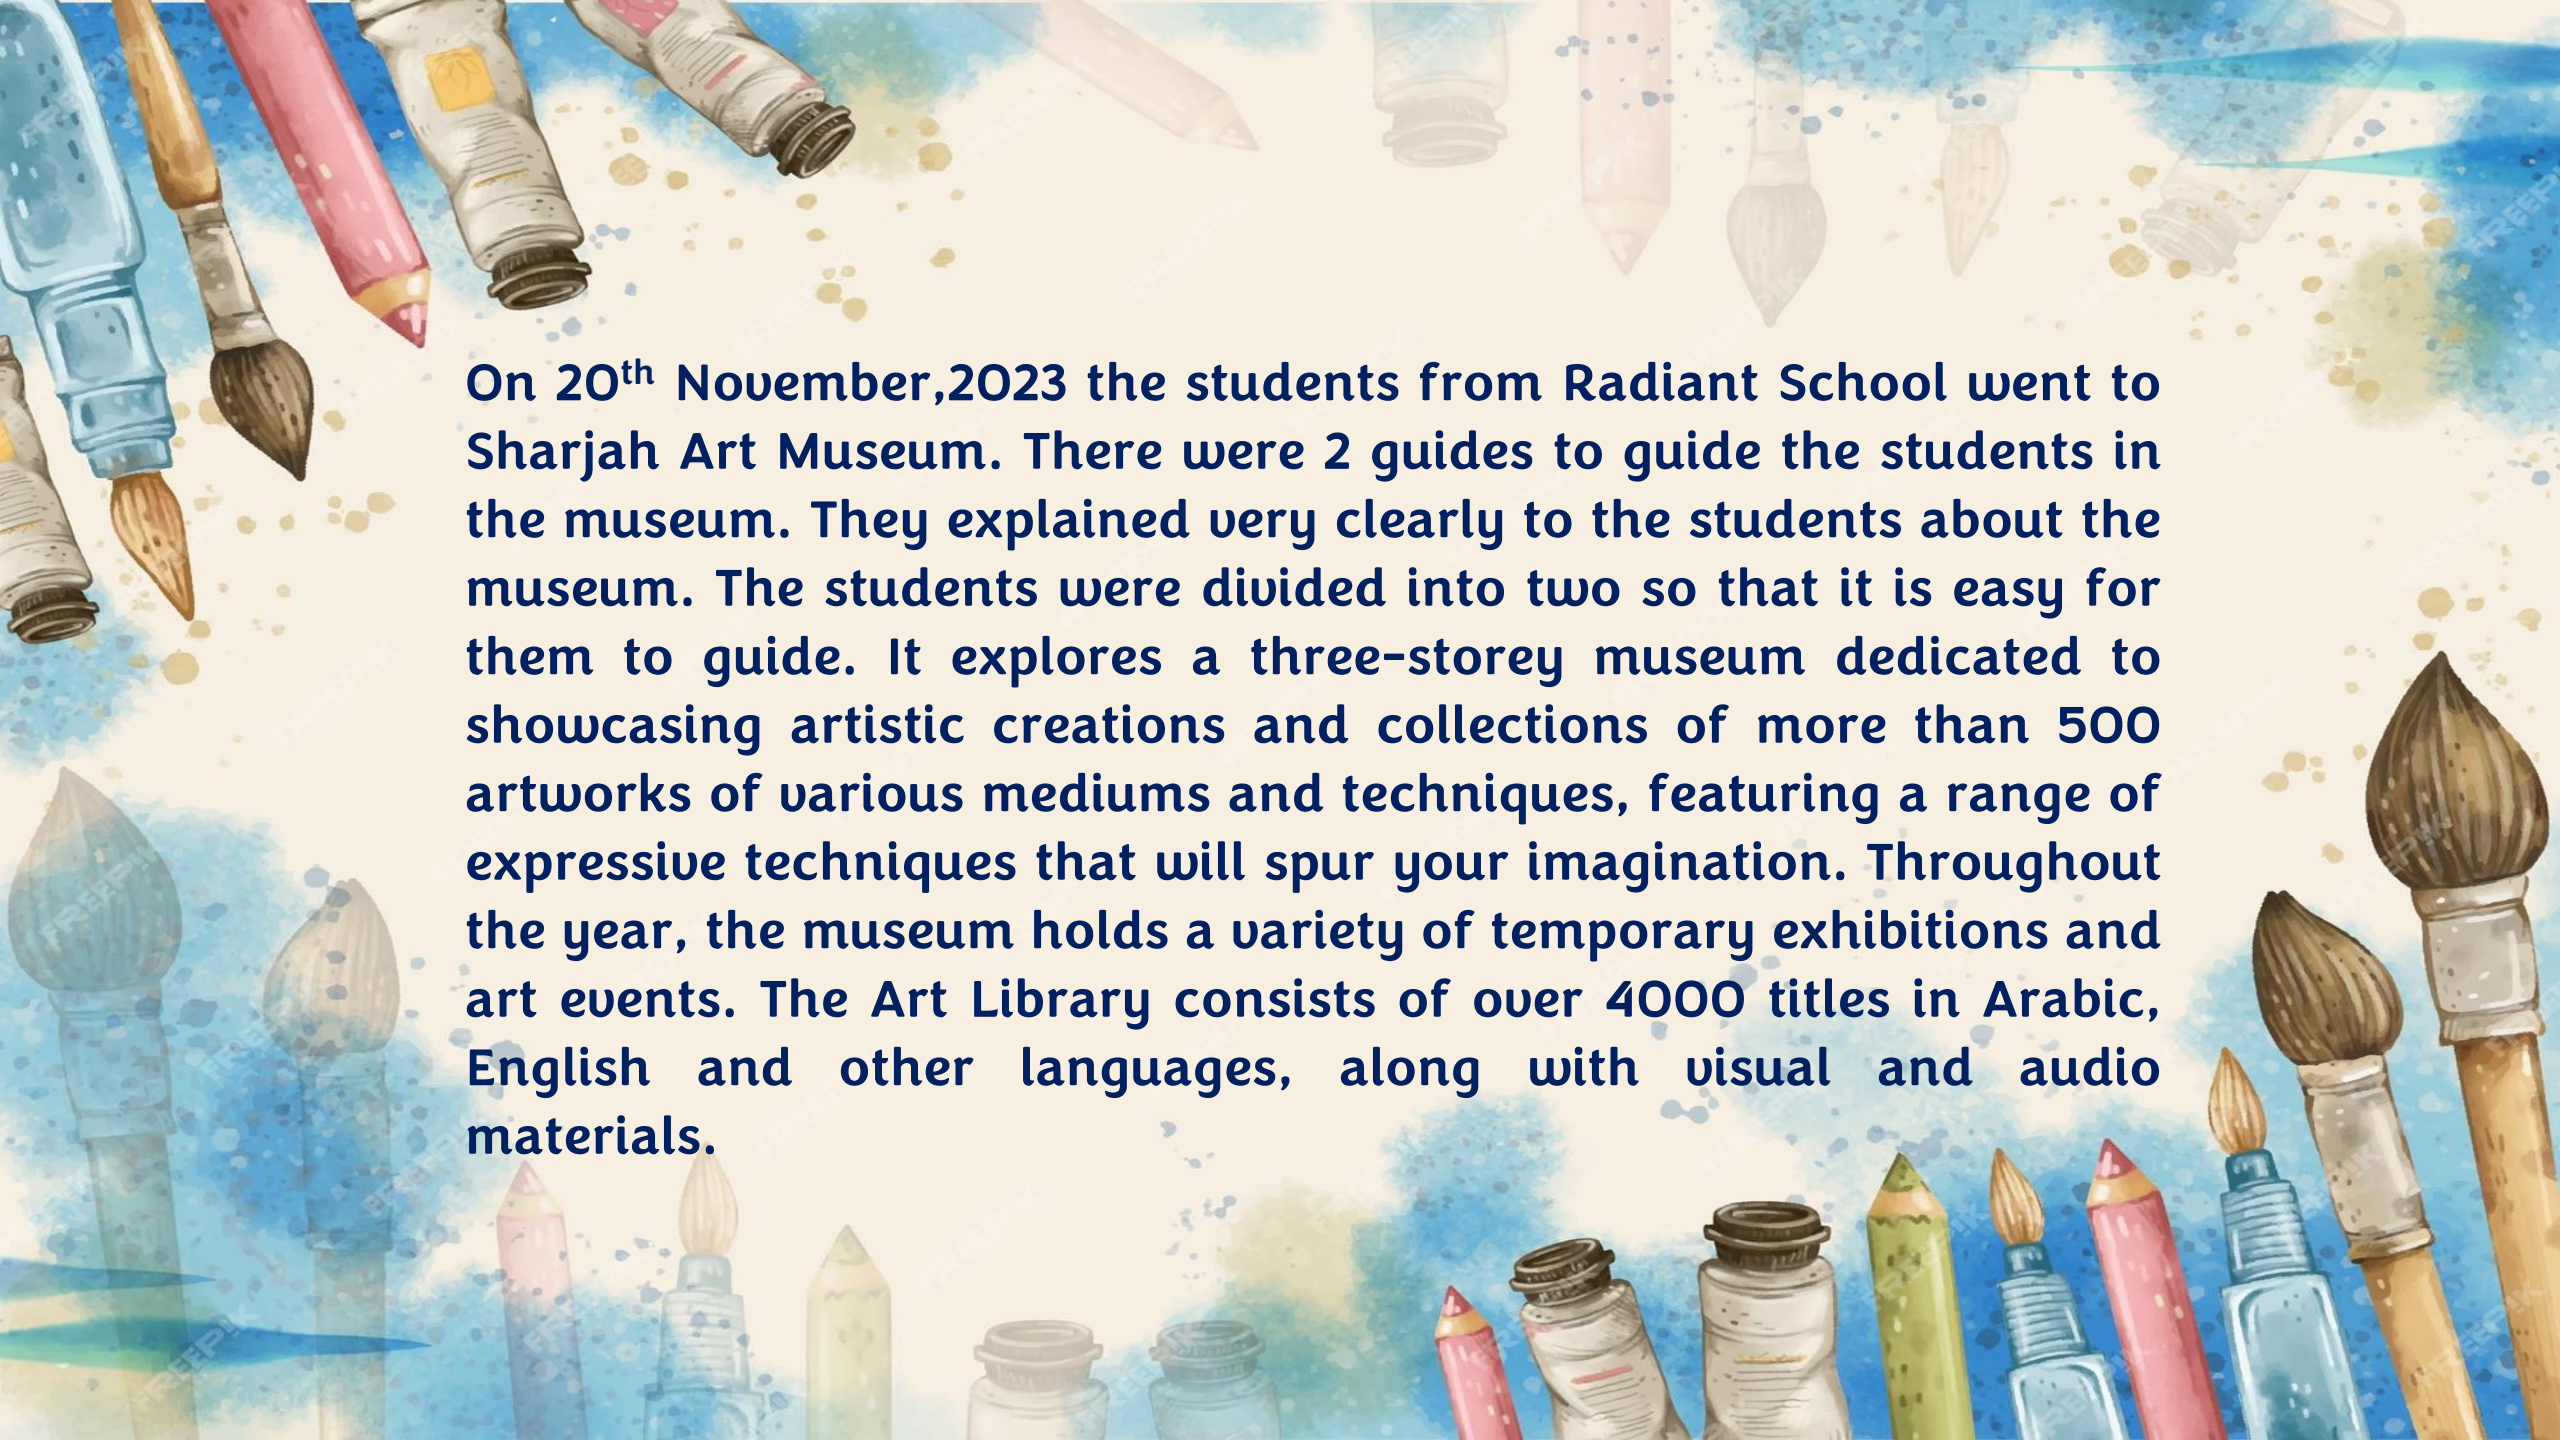

- The students of Radiant School went to Sharjah International Book Fair 2023.
- They were accompanied by the teachers. There were volunteers to guide the students.
- The students were so thrilled to see the books. They purchased their favorite books.
- They did some of the activities which was a thrilling experience to the students.

FIELD TRIP- SHARJAH ART MUSEUM

A decorative border featuring various art supplies like paint tubes, brushes, and pencils, set against a background of blue and yellow watercolor splashes.

On 20th November, 2023 the students from Radiant School went to Sharjah Art Museum. There were 2 guides to guide the students in the museum. They explained very clearly to the students about the museum. The students were divided into two so that it is easy for them to guide. It explores a three-storey museum dedicated to showcasing artistic creations and collections of more than 500 artworks of various mediums and techniques, featuring a range of expressive techniques that will spur your imagination. Throughout the year, the museum holds a variety of temporary exhibitions and art events. The Art Library consists of over 4000 titles in Arabic, English and other languages, along with visual and audio materials.

SPORTS DAY

The background of the slide features a dark blue field with white and red wavy lines. On the left, there are white silhouettes of athletes: a person jumping for a volleyball, a person holding a bow, and a person running. A large green banner with the text 'SPORTS DAY' is positioned at the top center.

SPORTS DAY

The sports day competition was held on 9/11/2023, from grade 5 to 7 girls & boys at RADIANT INDIAN SCHOOL FOR BOYS AND GIRLS .It was a grand event that was eagerly awaited by all the students. It was held in the school's playground, and the entire campus was decorated with colorful banners and balloons. The event started with a march past by all the participating teams.

The sports day competition comprised various sports activities, including individual and team games. The competition was divided into different age groups, and all the students participated with great enthusiasm. The most exciting part of the competition was the final relay race, where the fastest runners from each team competed against each other. The cheering and support from the audience added to the excitement and energy of the event.

A graphic for World Diabetes Day. It features a light blue background with a faint world map. A large white circle is centered, containing the text 'WORLD DIABETES DAY' in bold blue letters. Below this, '14 NOVEMBER' is written in smaller black letters. A thick blue ribbon is draped across the circle, forming a loop on the left and a tail on the right.

WORLD DIABETES DAY

14 NOVEMBER

WORLD DIABETES DAY

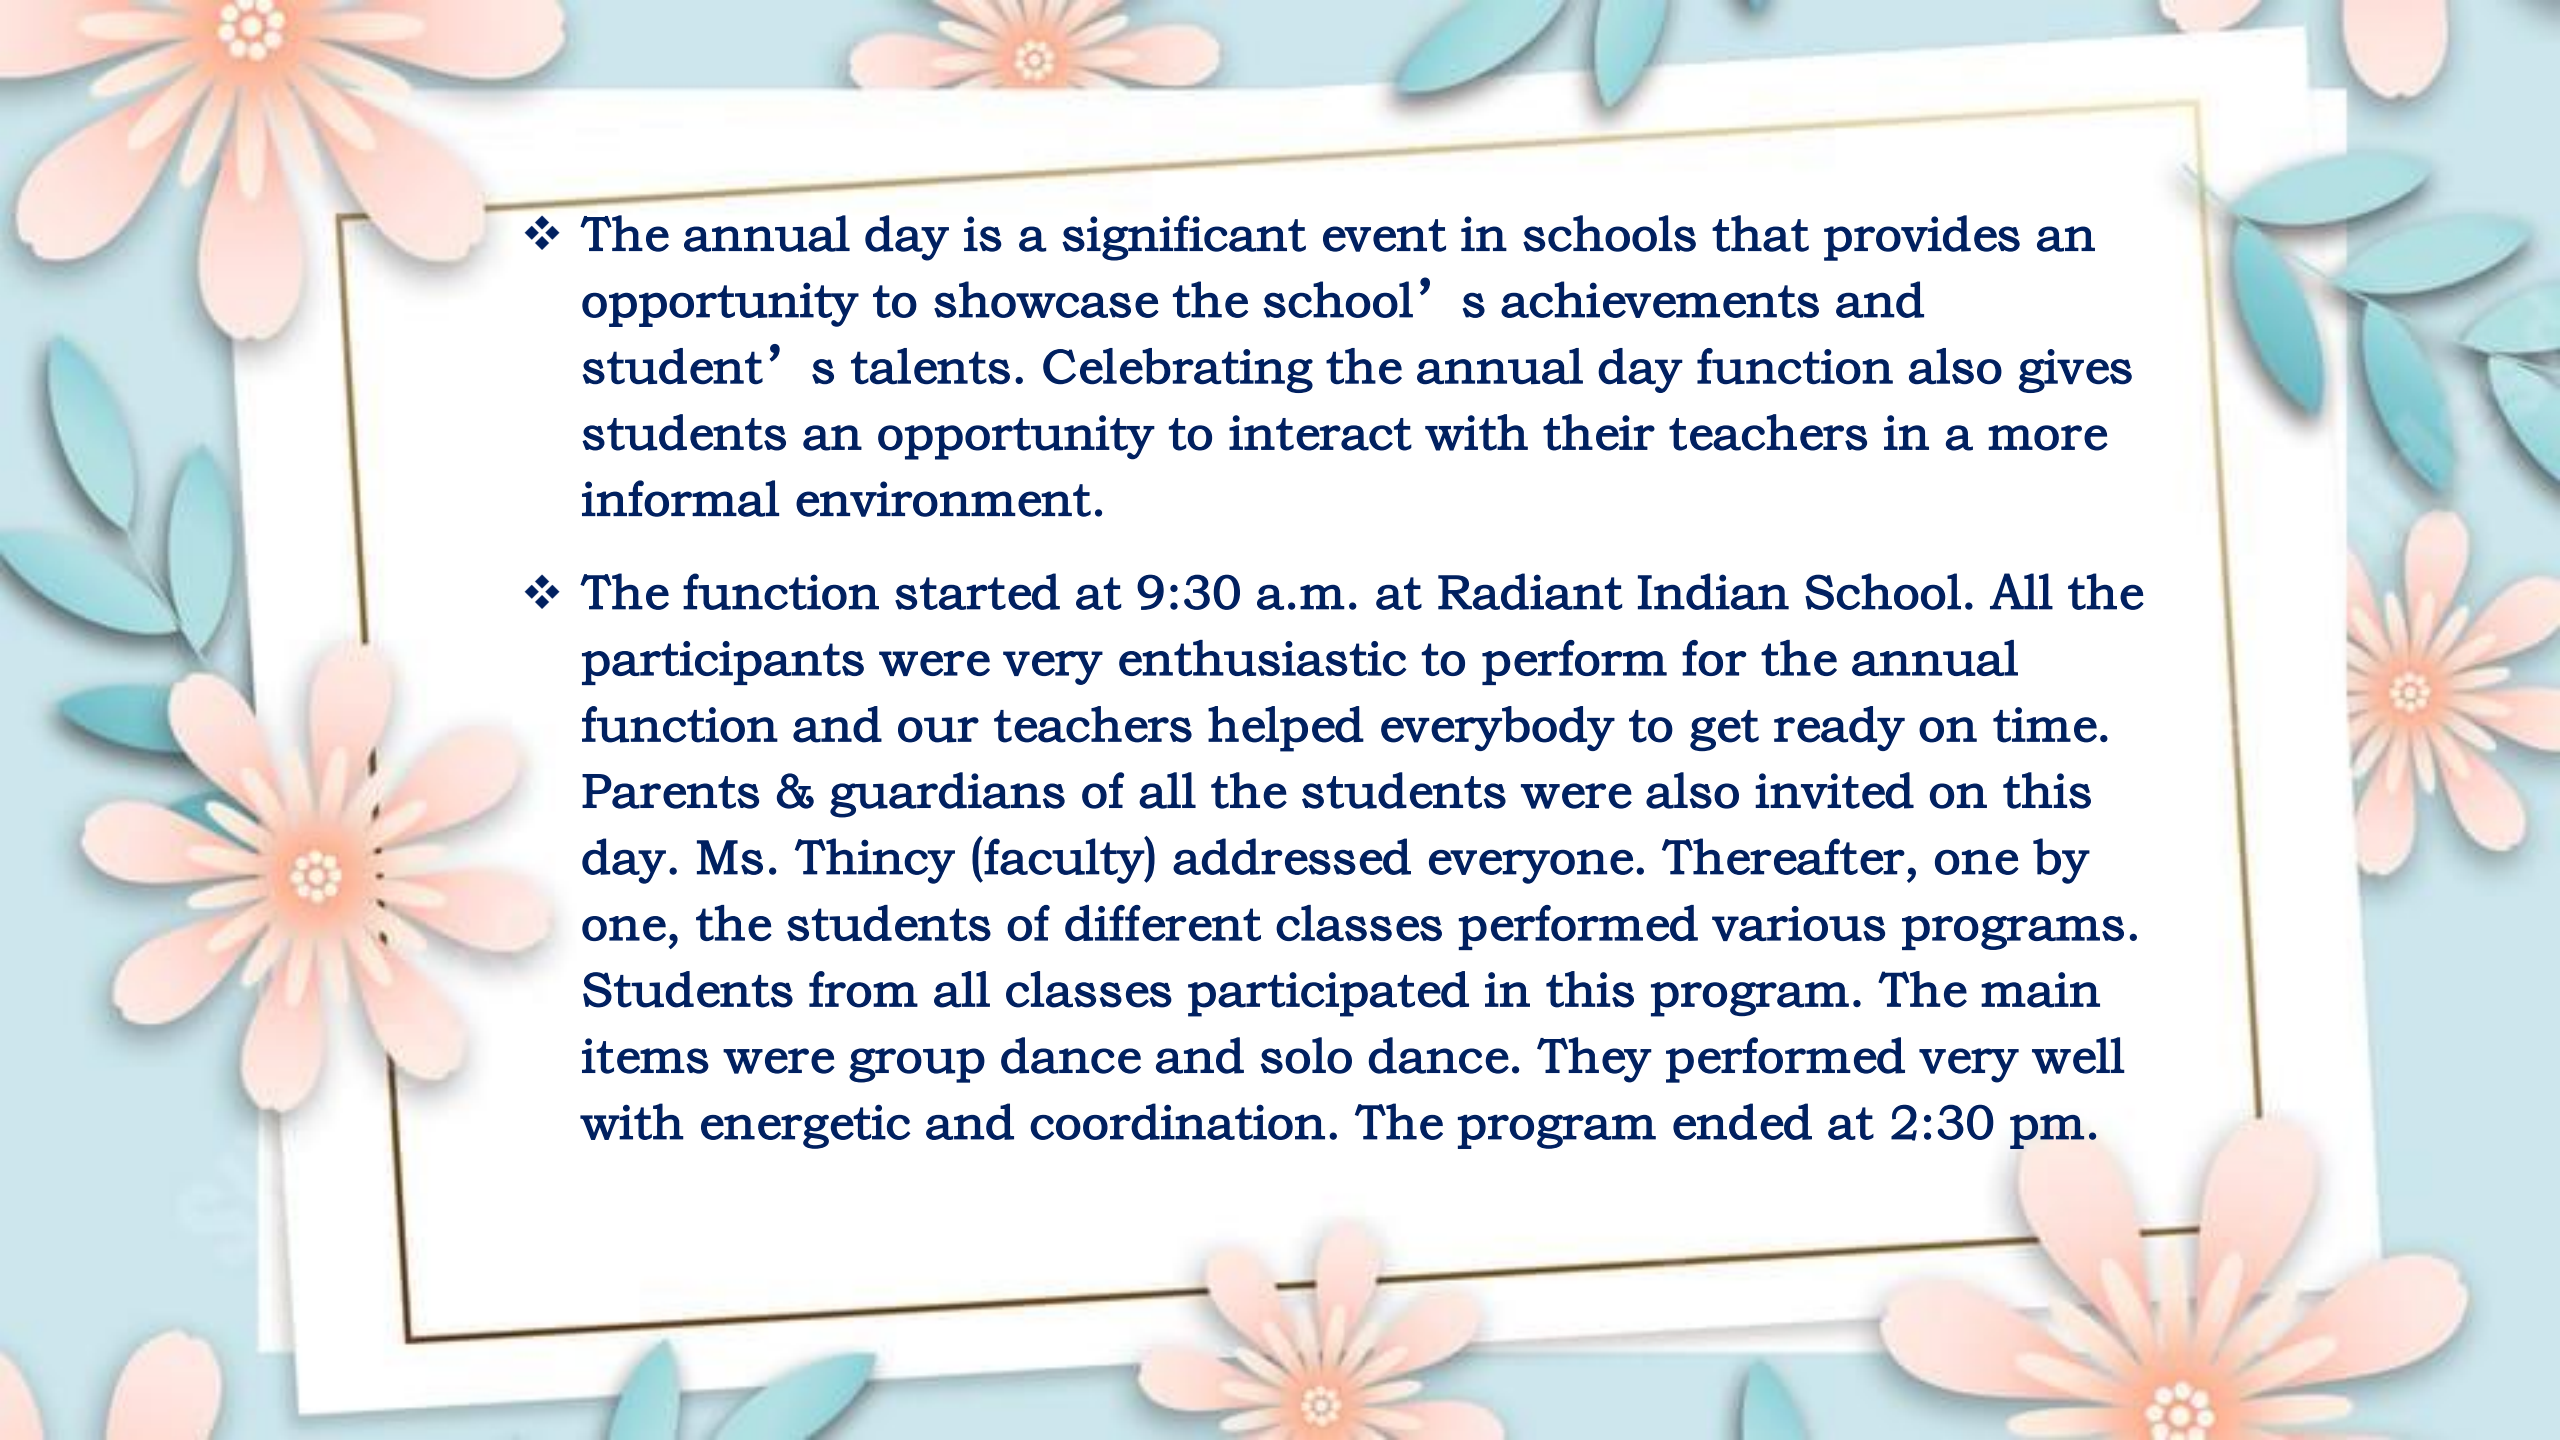

- World Diabetes Day was established in 1991 by the International Diabetes Federation and the World Health Organization. In response to growing concerns about the escalating health threat posed by diabetes, World Diabetes Day became an official day in 2006 and is celebrated every year on November 14, in memory of Sir Frederick Banting, who co-discovered insulin with Charles Best in 1922.
- Students of Radiant School made poster and power point presentation related with the topic world diabetes day. Teachers also gave awareness about diabetes. Our school nurse Ms. Sheetal introduced about the instruments used for checking diabetes.

ANNUAL DAY 2023-2024

- 
- ❖ The annual day is a significant event in schools that provides an opportunity to showcase the school' s achievements and student' s talents. Celebrating the annual day function also gives students an opportunity to interact with their teachers in a more informal environment.
 - ❖ The function started at 9:30 a.m. at Radiant Indian School. All the participants were very enthusiastic to perform for the annual function and our teachers helped everybody to get ready on time. Parents & guardians of all the students were also invited on this day. Ms. Thincy (faculty) addressed everyone. Thereafter, one by one, the students of different classes performed various programs. Students from all classes participated in this program. The main items were group dance and solo dance. They performed very well with energetic and coordination. The program ended at 2:30 pm.

HAPPY
National day
UAE

2
DECEMBER

The National Day is known as Al-Eid Al-Watani and it is marked by different programs and celebrations throughout UAE. Celebrating the UAE National Day in schools is an incredible opportunity to honor the rich heritage, culture, and unity of the United Arab Emirates. It's a time to instill pride in students for their country's achievements, to educate them about its history, and to engage in vibrant activities that showcase the spirit of unity among the diverse communities that call the UAE home. In Grade 5 to 12, we are conducting activities related with heritage and culture of UAE. Every year we celebrate National Day in our school and the program commenced with UAE National anthem followed by a recitation from the Holy Quran. We conducted variety of programs in this special occasion. All children from Kg-Grade 4 wore UAE Flag color dress or UAE dress. Student decorated their classes nicely and class decoration contest conducted all classes participated nicely. The celebrations consisted of a sequence of students' activities reflecting the authentic Emirati traditions and values. The students presented various programs like Musical Pieces, Skits, Speeches related quiz, traditional dance performances etc. The students from all the grades enthusiastically took part in the program.

SCIENCE EXHIBITION

Radiant school has conducted the Science Exhibition on 5-12-2023.

Objectives:

The science exhibition aims to increase interest in technology and science, encourages students to learn new information and inventions with a passion for learning. Investigate the children's creative abilities and push them to think outside the box.

Methodology:

We held an exhibition during the kids' scientific activity. Students developed many project types according to their own ideas. Students had practice engaging in real-world scientific events. Students discussed and shared their ideas with one another. Then they gave an explanation of the project's creation and its advantages for us.

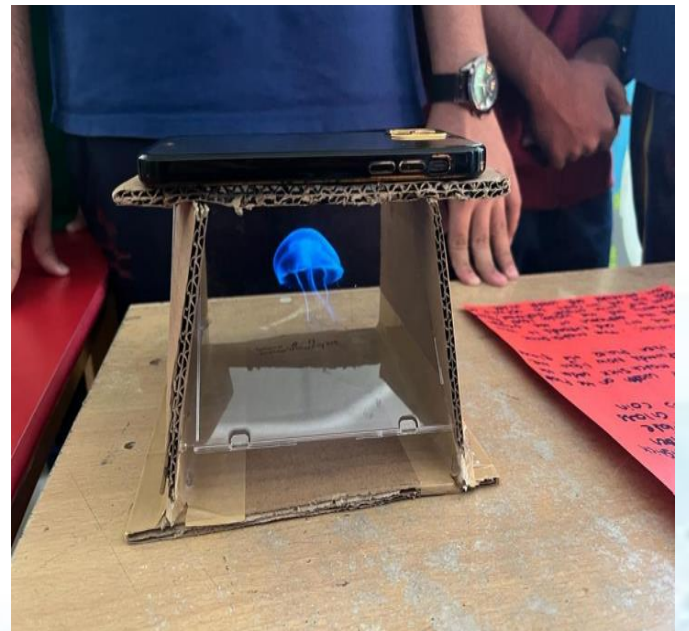

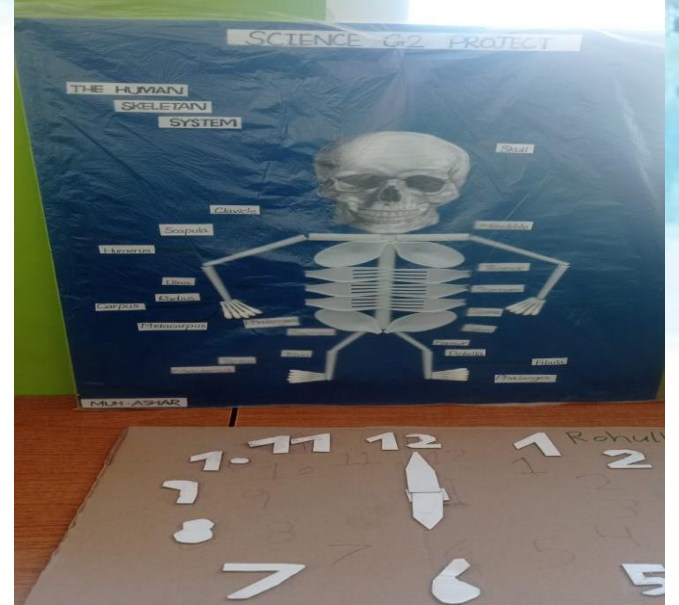

Students' endeavor:

The projects created by learners in connection with science classes entailed the heart function, respiration, digestion, solar system, volcanoes, mechanical energy, reproduction, photosynthesis, condensation and the human body

Finalization of the display

The scientific exhibition facilitates and supports students' exploration of innovative approaches. Students participate in group activities and social interactions to learn new ideas.

THANK
you

Thank you my dear parents for
your support and guidance and
my children for your active
participation and engagement.
Keep supporting us !!!!

My sincere thanks to all my
teachers, for their hard work,
dedication and support !!!!
