NEW YEAR RESOLUTION CARD

- New Year's Day is a **public holiday** in all countries that observe the Gregorian calendar, with the exception of Israel. This makes it the world's most widely observed public holiday.
- A New Year's resolution is a tradition, most common in the Western World but also found in the Eastern World, in which a person resolves to continue good practices, change an undesired trait or behavior, accomplish a personal goal, or otherwise improve their behaviour at the beginning of a calendar year.

PLANTATION DAY

- When you plant a tree, you are not only planting a sapling but also hoping for the best. The students were taught about the importance of trees for our environment and the ecosystem. It has been reported that children realize better when they are surrounded by nature.

REPUBLIC DAY CELEBRATION

DESIGNING A MAGAZINE COVER

- To educate students about the importance of birds in the ecosystem.
- To understand the rich diversity of bird species, both locally and globally.
- To emphasize the conservation challenges that birds face, such as habitat loss, climate change, pollution, and hunting. Students can learn about conservation efforts and ways they can contribute to protecting bird populations.
