RADIANT INDIAN SCHOOL FOR GIRLS AND BOYS,SHARJAH

ONLINE SAFETY POLICY

1. Introduction:

Radiant Indian School For Girls and Boys is committed to providing a safe and secure online environment for all students. As technology becomes increasingly integrated into education, it is essential to prioritize the protection of children from online risks and dangers. This policy outlines the measures and guidelines to ensure the online safety of our students.

2. Team Members:

Ms. Rukhsar Siddiqui (Team Leader)

Ms. Smylin Lerins

Ms. Aniz Fatima

3. Objectives:

To create awareness among students, parents, and staff about online safety.

To establish guidelines for safe and responsible internet usage within the school community.

To monitor online activities and respond promptly to any incidents or concerns related to child online safety.

To provide training and support for students, parents, and staff on navigating the digital world safely.

4. Responsibilities:

Team Leader (**Ms. Rukhsar Siddiqui**):

Coordinate the development and implementation of the online safety policy.

Serve as the primary point of contact for online safety-related issues within the school.

Liaise with school management, teachers, parents, and external stakeholders on matters related to child online protection.

Oversee training sessions and awareness programs on online safety.

Team Members (**Ms. Smylin Lerins and Ms. Aniz Fatima**):

Assist the team leader in policy development and implementation.

Participate in training sessions and awareness programs.

Monitor online activities within the school environment and report any concerns to the team leader.

Provide support and guidance to students, parents, and staff regarding online safety best practices.

5. Policy Implementation:

The online safety policy will be communicated to all stakeholders, including students, parents, teachers, and staff.

Training sessions and workshops will be conducted regularly to educate the school community about online safety.

Monitoring mechanisms will be put in place to track online activities and identify any potential risks or threats to students.

Reporting procedures will be established for students and staff to report any incidents or concerns related to online safety.

The policy will be reviewed and updated periodically to ensure its effectiveness and relevance in addressing emerging online risks.

6. Collaboration with Parents and External Agencies:

Parents will be encouraged to actively participate in their children's online education and monitor their online activities at home.

The school will collaborate with relevant external agencies and organizations to access resources and expertise in child online protection.

7. Policy Review:

This policy will be reviewed annually by the online safety team in consultation with school management, teachers, parents, and students.

Feedback from the school community will be considered in the review process to ensure that the policy reflects current best practices and addresses emerging online threats.

8. Policy Approval:

This policy has been approved by **Ms. Alka Suxena,** Principal of Radiant Indian School For Girls and Boys.
