NEWSLETTER GRADE 8-12  
APRIL-MAY

*"Education is the most powerful weapon  
which you can use to change the world."* -

*Nelson Mandela*

# FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us.

**Mrs. Alka Suxena**

**Principal**

**Radiant Indian School for girls & boys  
Sharjah**

# FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Shinu Aneesh  
Vice Principal,  
Radiant School

# INDEX

World Art Day was officially established on April 15 during the General Assembly of the International Association of Art. Its inception in 2012 coincided with the birthday of the esteemed Leonardo da Vinci, symbolizing values such as tolerance, world peace, freedom of expression, and multiculturalism that he epitomized around the world. The theme is. *“A Garden of Expression: Cultivating Community through Art.”*

Nature Art collage.

## Leonardo da Vinci

Leonardo da Vinci was a Renaissance polymath who excelled in fields ranging from painting to engineering. His iconic works, such as the Mona Lisa and The Last Supper, are renowned for their technical mastery and depth of expression.

## Frida Kahlo

Frida Kahlo's self-portraits and vivid, surreal paintings are celebrated for their raw emotional honesty and exploration of her personal experiences, including her physical and mental health struggles.

Do Earth a Favour,  
be the energy saver!

**WORLD SOLAR ENERGY DAY**

# World Solar Energy Day

- *World Solar Energy Day is an annual event celebrated to raise awareness about the importance of solar energy in addressing global energy challenges and combating climate change. It serves as a platform to promote the adoption of solar power as a sustainable and renewable energy source, highlighting its benefits for the environment, economy, and society as a whole. Through various activities, events, and initiatives, World Solar Energy Day aims to inspire individuals, communities, and governments to accelerate the transition to a solar-powered future.*
- *Raise awareness about the importance of solar energy in combating climate change. Promote the adoption of solar energy technologies at both individual and institutional levels. Showcase successful solar energy projects and innovations from around the world. Engage communities in discussions and activities that promote solar energy literacy and empowerment.*

# Field Trip

**VENUE: SHARJAH  
INTERNATIONAL BOOK  
FAIR**

**SHARJAH  
INTERNATIONAL  
BOOK FAIR**

The Sharjah International Book Fair began 40 years ago in 1982 to realize the human-centric developmental vision of His Highness Sheikh Dr. Sultan bin Muhammad Al Qasimi, UAE Supreme Council Member and Ruler of Sharjah, to promote cultural understanding and exchange through books and reading.

On 9th May 2024 the students went to Sharjah International Book Fair. They were accompanied by their class teacher. The field trip to **Sharjah International Book Fair** gave students an opportunity to read the latest books, and participate in activities, cultural/creative happenings.

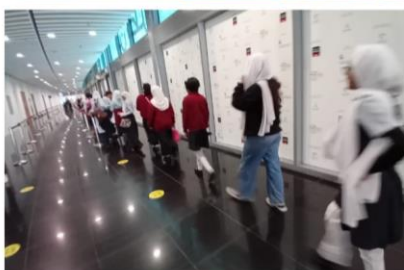

- Upon arrival at the Reading Festival, the group was greeted by the bustling atmosphere of book enthusiasts and literary aficionados. The day began with attending a captivating show, where students were enthralled by the performances and storytelling.
- Following the show, students had the opportunity to explore the festival grounds and indulge in their love for books. Many students eagerly browsed through the extensive collection of books available for purchase, immersing themselves in a world of literary wonders.
- In addition to browsing books, students also participated in various activities offered at the festival. One such activity was coloring and crafting, where students unleashed their creativity by expressing themselves through art. Engaging in these hands-on activities provided students with an opportunity to relax, unwind, and channel their imagination in a creative manner.

# INTERNATIONAL NURSES DAY

12 May 2024

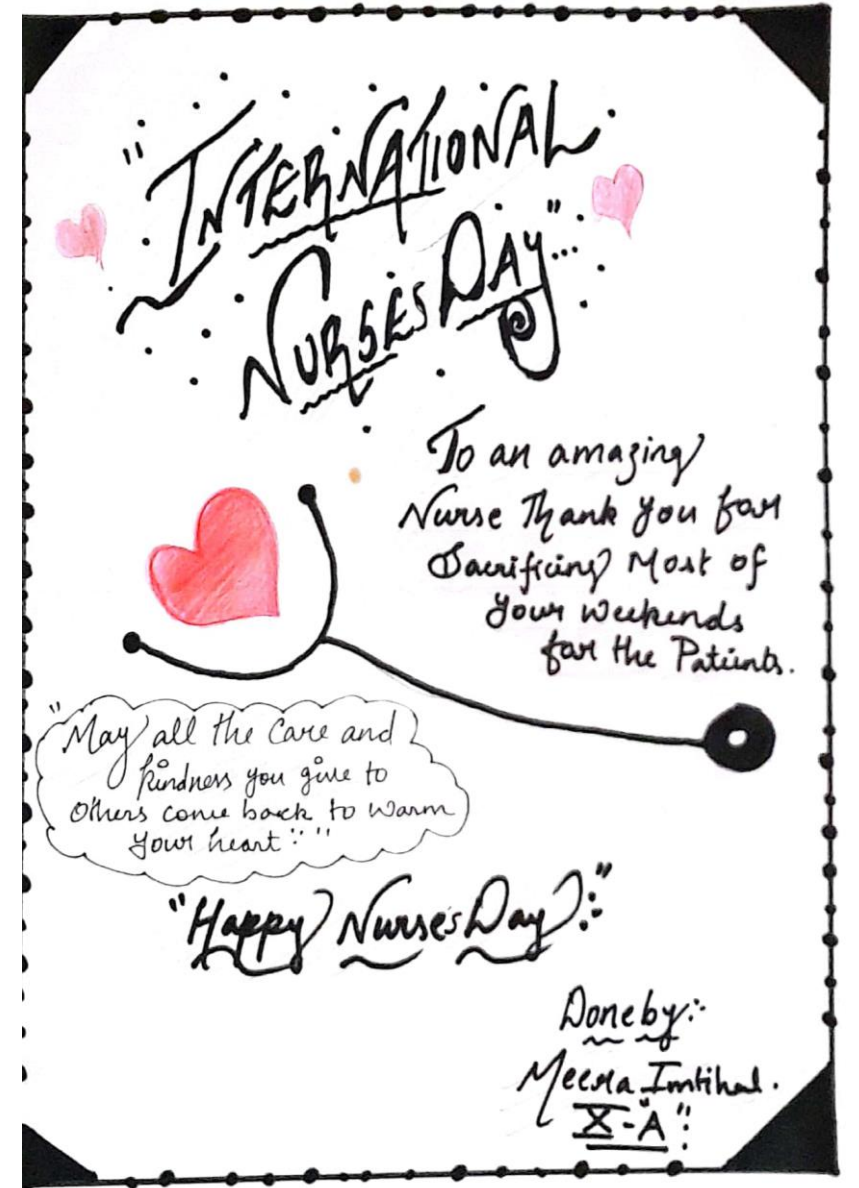

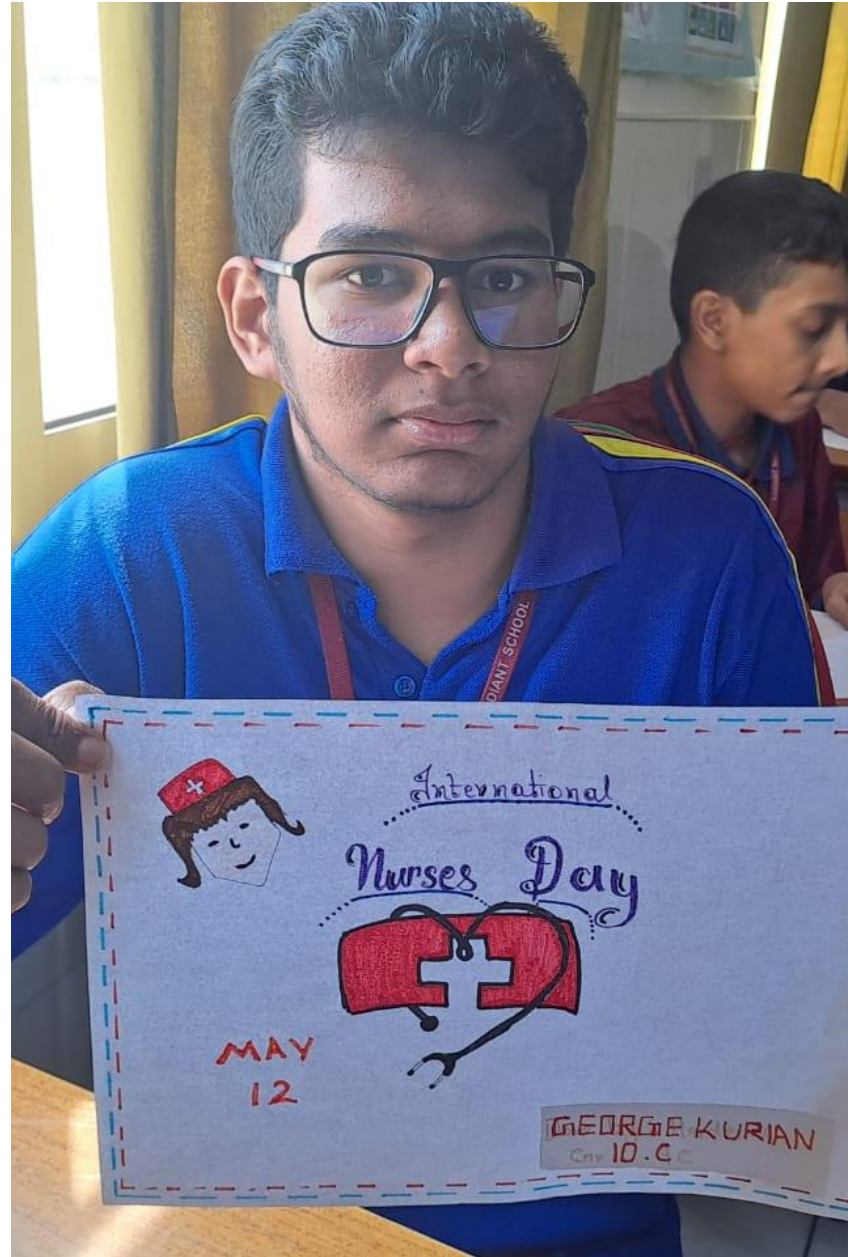

Theme

- 
- **International Nurses Day** is celebrated around the world on May 12 (The anniversary of Florence Nightingales birth) of each year, to mark the contributions nurses make to society. As we celebrate International Nurses Day, let's honor the incredible dedication, compassion, and expertise of nurses worldwide. Their unwavering commitment to caring for others truly makes a difference in countless lives every day." This year the International Council of Nurses (ICN) celebrates Nurses Day with the aim to reshape perceptions of nursing, demonstrating how strategic investment in nursing can bring considerable economic and societal benefits. The theme for Nurses Day 2024 is "Our Nurses. Our Future. The economic power of care."

# World Heritage Day

- *World Heritage Day, also known as the International Day for Monuments and Sites, is celebrated annually on April 18th. It aims to raise awareness about the diversity of cultural heritage and the efforts required to protect and conserve it for future generations.*

# Heritage WORLD DAY

- World Heritage Day, which is also known as the International Monuments and Sites Day, celebrates the work carried out by the ICOMOS – International Council on Monuments and Sites. The day is all about increasing the awareness of the importance of the diversity of cultural heritage and preserving it for generations in the future. Ancient monuments and buildings are an asset to us all around the world.
- 
- However, they need to be protected to ensure that they continue to be an asset for years and years to come. Therefore, the day is a collective effort of communities around the globe. Theme for World Heritage Day 2024 is “**Discover and Experience Diversity**”

## ***NATIONAL TECHNOLOGY DAY***

National Technology Day, observed annually on May 11, commemorates the anniversary of the successful nuclear tests conducted in Pokhran, India in 1998. It celebrates technological advancements and innovations across various fields. This year, our class decided to honour this day by organizing a series of activities and presentations to foster an understanding and appreciation of technology among students.

# Biological Diversity Day

22nd May 2024

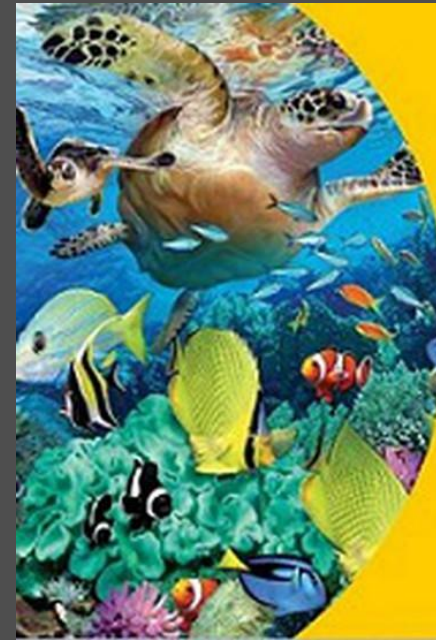

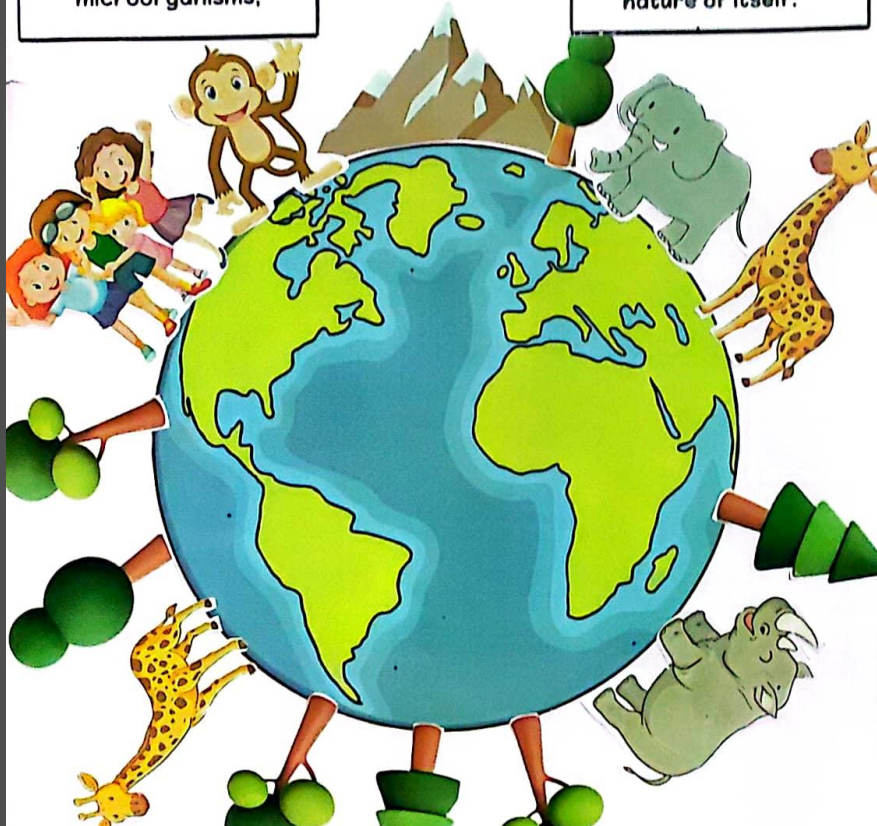

- The International Day for Biological Diversity is a United Nations–sanctioned international day for the promotion of biodiversity issues. It is currently held on May 22. The International Day for Biological Diversity falls within the scope of the UN Post-2015 Development Agenda's Sustainable Development Goals. This year, the theme of the International Day for Biological Diversity is "Be Part of the Plan."

# BIODIVERSITY

Biodiversity is essential for the processes that support all life on Earth, including humans. Without a wide range of animals, plants and microorganisms,

we cannot have the healthy ecosystems that we rely on to provide us with the air we breathe and the food we eat. And people also value nature of itself.
