- 2. Republic Day Activity**

FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Principal
Ms.Shinu Aneesh
Radiant School, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Vice Principal,
Radiant School

A snowman stands in a snowy landscape at night. The snowman is made of three snowballs, wearing a brown hat, a blue scarf, and blue mittens. It holds a broom with a brown handle and a yellow, cone-shaped head. A small brown squirrel is sitting on the snow next to the snowman's feet. The background features dark blue evergreen trees and a dark blue sky with white snowflakes falling. The ground is covered in white snow with soft shadows.

Welcome Back

From Winter Break

Radiant School has conducted a “Back to School” activity after the winter break to warmly welcome students and help them smoothly return to the school routine.

The activity aimed to motivate students, create enthusiasm for learning, and promote interaction and collaboration among peers. Students actively participated in engaging activities such as poster making, group discussions, and sharing their holiday experiences under the guidance of teachers.

The activity created a positive and joyful learning environment, strengthened teacher–student relationships, and helped students feel confident, refreshed, and ready to begin the new academic term.

After a long winter vacation

REPUBLIC DAY

26th JANUARY

2026

Radiant School conducted Republic Day activities to celebrate the occasion. The program included speech, role play, poster making, and a quiz. Students participated actively and the activities helped them understand the importance of Republic Day and national values.

THANK
you

*Thank you my dear parents
for your support and
guidance and my children
for your active participation
and engagement. Keep
supporting us !!!!*

*My sincere thanks to all my
teachers, for their hard work,
dedication and support !!!!*
