FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant Indian School , works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

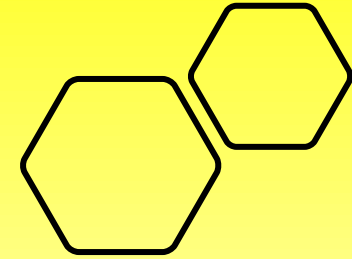

**Vice Principal,
Radiant Indian School for girls & boys,**

Haq al-Laila Program

- The **Haq al-Laila Program** was organized to educate students about this special night celebrated in the United Arab Emirates during the middle of Shaban. It also helped students appreciate local traditions while strengthening Islamic values.

WELCOMING RAMADAN

- As part of the Holy Ramadan celebration, students actively participated in a variety of creative, reflective, and educational activities. They created colorful posters expressing the values of compassion, gratitude, charity, and unity inspired by Ramadan. Students then shared short messages about the meaning of Ramadan, highlighting themes of kindness, patience, and generosity toward others. Role-play activities allowed them to act out real-life situations that demonstrate helping those in need, family bonding, and respectful community interactions during the holy month. These engaging experiences encouraged teamwork, empathy, creativity, and deeper understanding, making the celebration meaningful, educational, and memorable for all participants.
