

RADIANT INDIAN SCHOOL FOR GIRLS AND BOYS

GRADE 2-4

APRIL

NEWSLETTER

An open book lies on a dark surface, its pages glowing with a bright, warm light. From the center of the book, numerous thin, ethereal rays of light burst upwards, fanning out into a large, luminous shape that resembles a flower or a star. The background is a deep, dark space filled with a nebula of purple, blue, and pinkish light, dotted with small, distant stars. The overall atmosphere is one of wonder and enlightenment.

Education is
the movement
from darkness
to *light*.

~Allan Bloom

FROM OUR PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

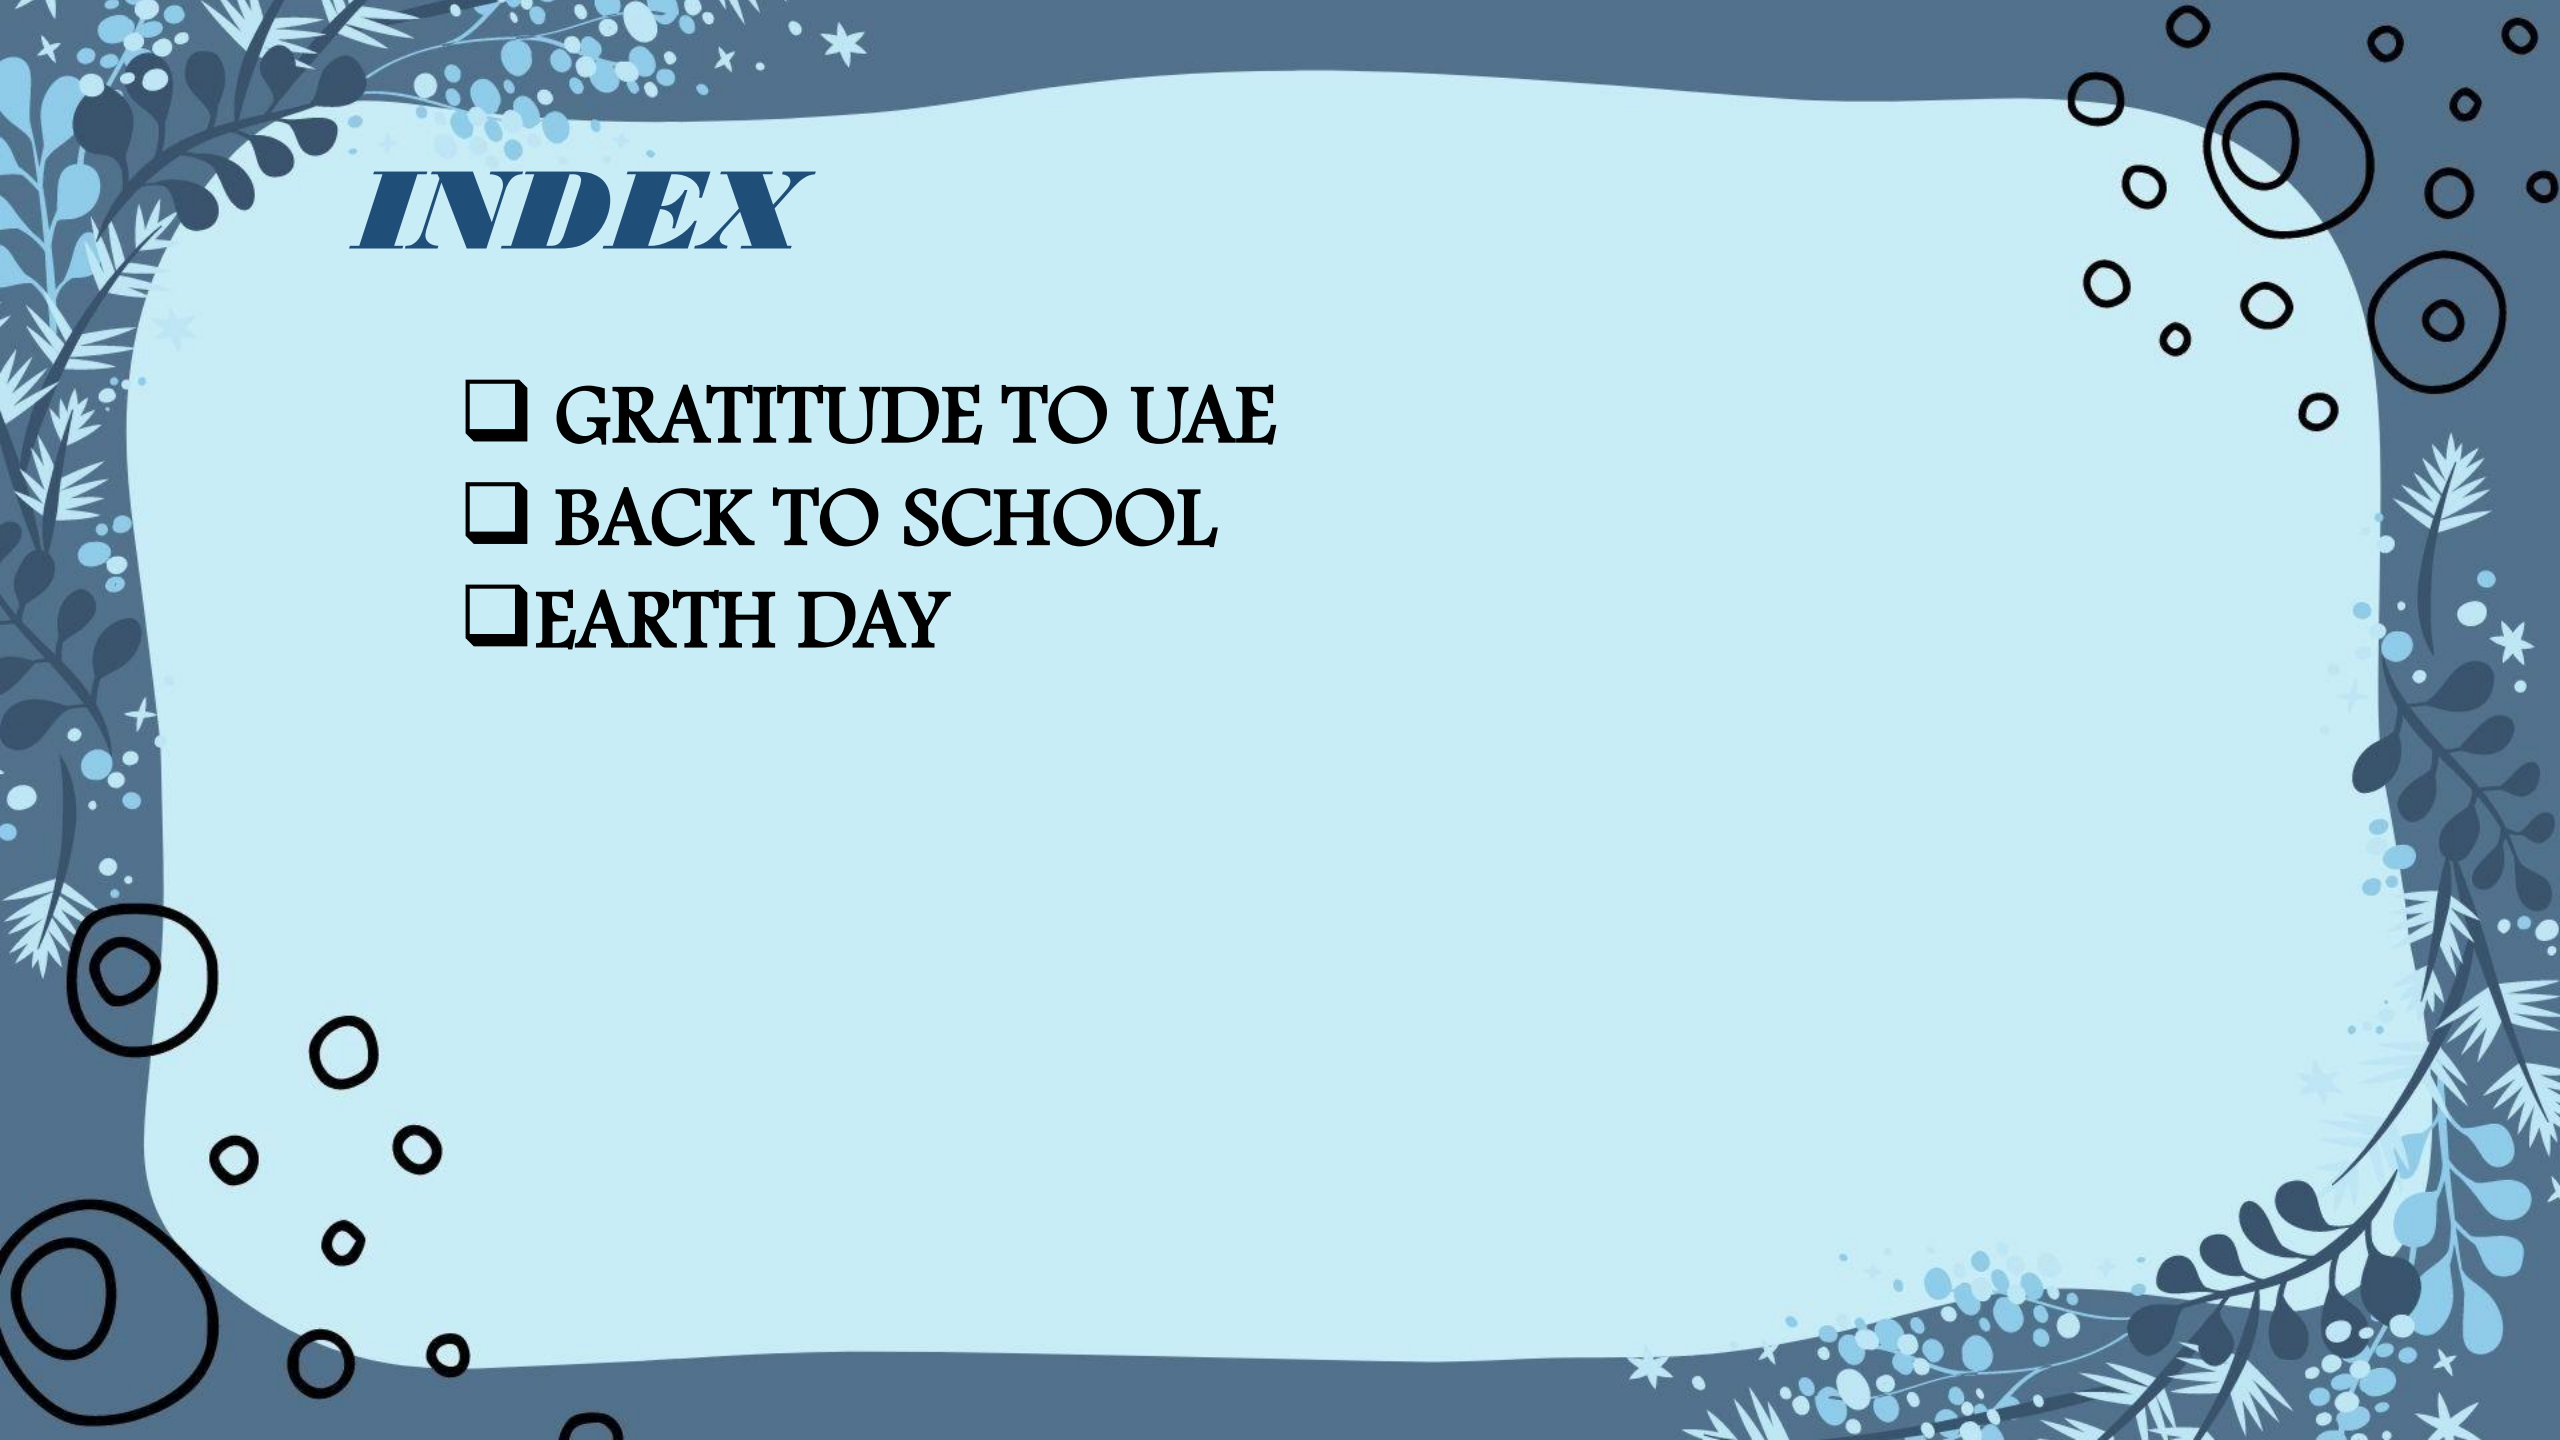

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Shinu Aneesh
Principal,
Radiant School

INDEX

- ☐ GRATITUDE TO UAE
- ☐ BACK TO SCHOOL
- ☐ EARTH DAY

The background of the entire image is a composite graphic. On the left, the flag of the United Arab Emirates (UAE) is shown waving. In the upper right, three fighter jets are flying in a formation, leaving long, colorful smoke trails in red, green, and blue. In the lower left, there are dark silhouettes of several people standing together, some with their arms raised in a gesture of support or celebration. The overall color palette is dominated by warm tones of orange and yellow, suggesting a sunset or sunrise sky.

Safe. Strong. United.

Proud to call the UAE our home

***United in Strength.
United in Faith.***

***We extend our heartfelt
gratitude to the UAE armed
forces and authorities for their
unwavering commitment to
protecting our nation.***

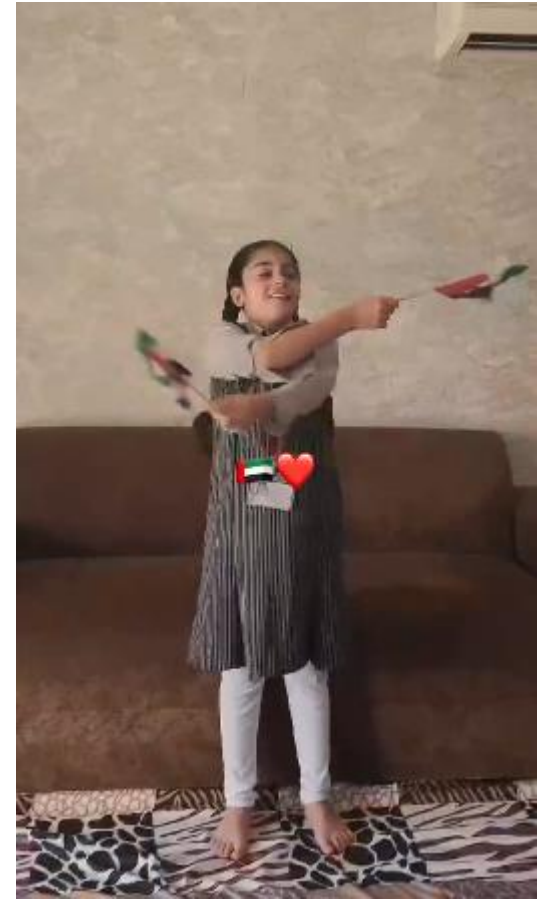

***Let's stay safe, support one
another, and keep the UAE in
our prayers.***

PROUD OF UAE

Together we are strong and resilient.

Students from the Grade 2 to 4 department expressed their gratitude towards the United Arab Emirates through speeches and colourful drawings. They shared their love and respect for the country by speaking about its unity, safety, and development. The students also prepared creative artworks showing the culture and achievements of the UAE. Teachers appreciated the students' efforts and enthusiastic participation in the activity.

Protected Nation
Build Education

Students from the Grade 2 to 4 department enthusiastically participated in activities based on the theme “Protect the Nation, Build Education.” Teachers warmly welcomed the students and organized a variety of engaging and meaningful activities to encourage creativity, unity, and positive values. One of the highlights of the programme was the creation of a “Kindness Tree,” where students wrote kind words, good deeds, and positive messages on colourful paper leaves. These leaves were displayed on a tree, symbolizing how small acts of kindness can strengthen the community and promote harmony and respect among everyone. The activities inspired students to understand the importance of kindness, unity, and responsible citizenship.

World Earth Day

ECOSEND

EARTH DAY

APRIL ————— 22

**‘OUR
POWER
OUR
PLANET’**

World Earth Day is celebrated every year on **April 22nd** to raise awareness and appreciation for the environment and the planet we live on. First observed in 1970, it has grown into a global movement that unites millions of people to take action for a healthier, more sustainable Earth. The theme for **Earth Day 2026** is "**Our Power, Our Planet.**", this highlights the importance of collective action to protect the environment and create a sustainable future.

Radiant Indian School For Girls And Boys

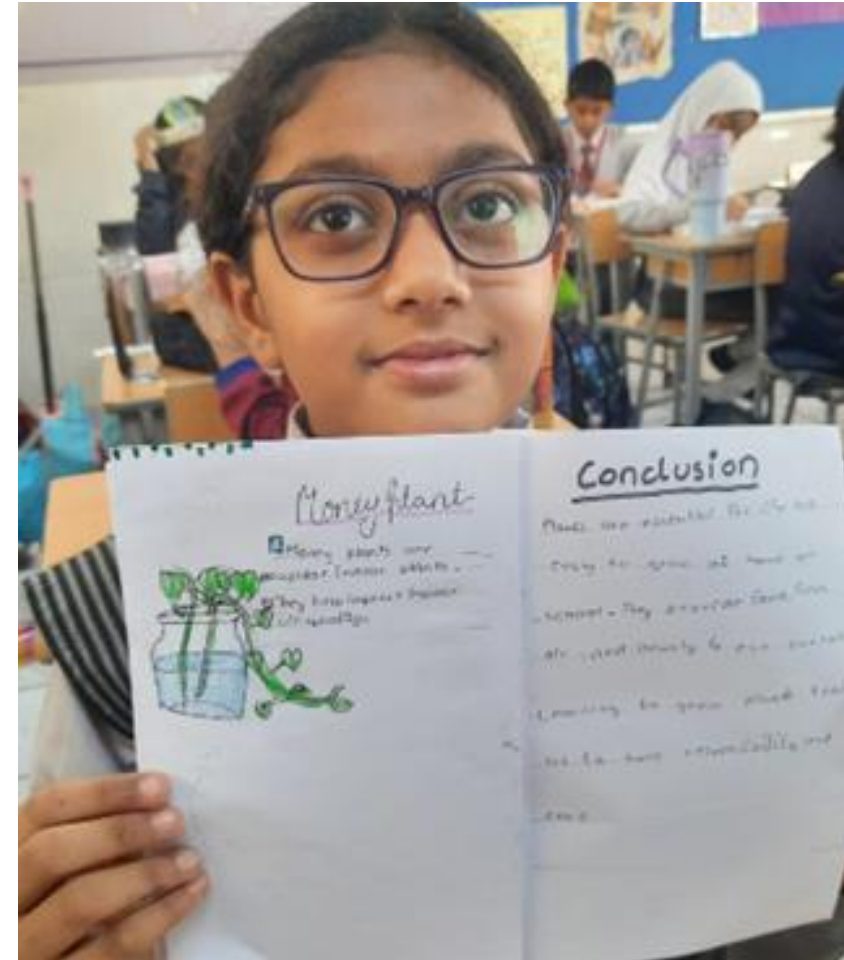

Earth Day

22nd April-2026

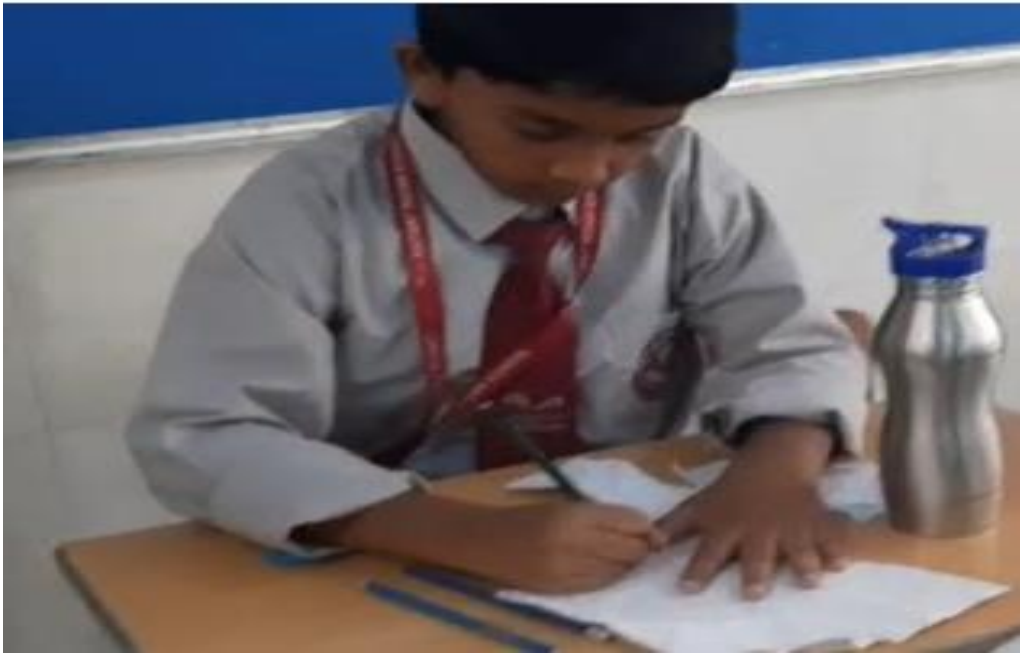

Grade 2- 4: Activity
