FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Mrs. Shinu Aneesh
Principal
Radiant School, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Vice Principal,

A pair of hands is shown holding a small green seedling with soil and moss. The seedling has three leaves and is growing out of a mound of dark brown soil. The soil is covered with a thick layer of green moss. The hands are positioned at the bottom of the frame, supporting the seedling. The background is a blurred green forest scene with sunlight filtering through the leaves.

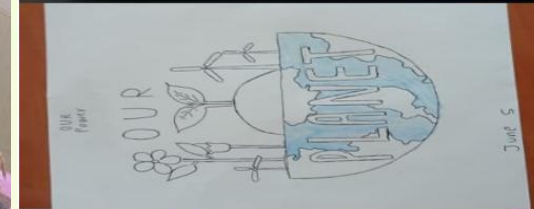

WORLD ENVIRONMENT DAY

Radiant Indian School for Girls and Boys, Sharjah, celebrated World Environment Day with great enthusiasm to create awareness among students about environmental protection and sustainable living.

Various activities were conducted to encourage students to understand the importance of preserving nature and adopting eco-friendly habits.

Through these activities, students actively participated in promoting environmental responsibility and learned the value of sustainable practices in their daily lives.

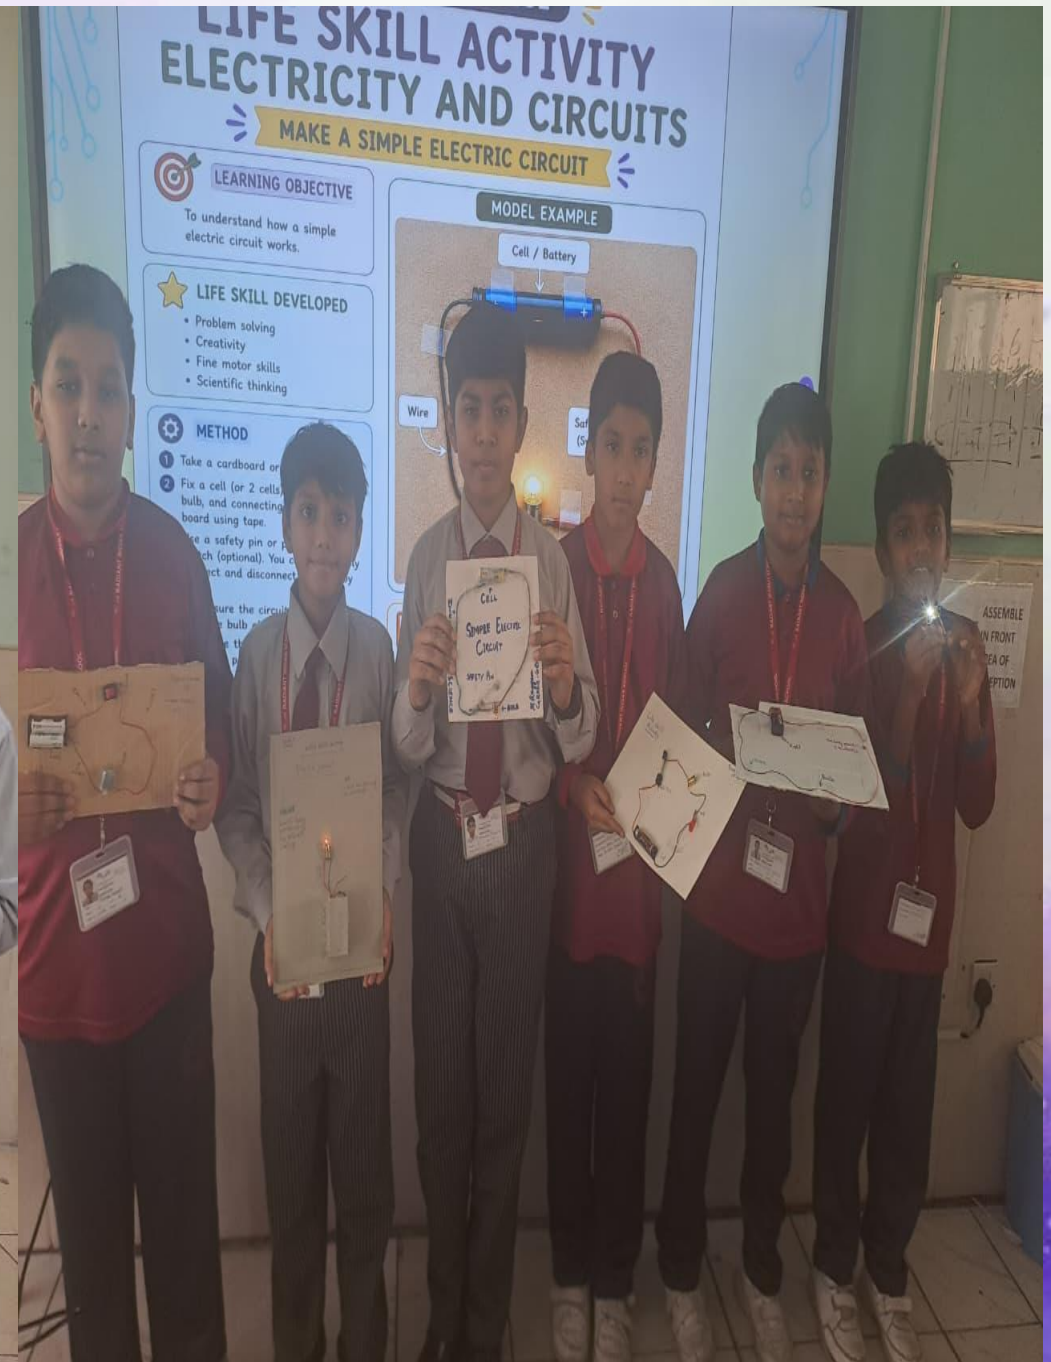

LIFE SCIENCE ACTIVITY

The Life Science activity was conducted to help students understand scientific concepts through hands-on learning. Students actively participated in various experiments and observation-based activities. The activity enhanced their knowledge of living organisms, their structures, and life processes. It encouraged curiosity, critical thinking, and scientific inquiry among students.

Through collaborative learning, students developed observation and problem-solving skills. The activity was both educational and enjoyable, making science learning more meaningful and engaging.

INTERNATIONAL

DAY

On 22th June 2026, Radiant Indian School for Girls and Boys celebrated International Yoga Day on the school premises with great enthusiasm and active participation from students and staff.

Department-wise yoga sessions were conducted throughout the day to engage students from different grades. A group of selected students from Grades 5 to 11 demonstrated various yoga asanas and guided their peers through each posture step by step. The programme commenced at 11:00 a.m. and witnessed enthusiastic participation from all classes.

The student instructors demonstrated different yoga postures and briefly explained their importance and health benefits, making the session both interactive and informative. Students followed the instructions with discipline and dedication, performing the asanas with great interest.

The celebration highlighted the significance of yoga in maintaining physical fitness, mental well-being, and a balanced lifestyle. The event concluded successfully, leaving students with a deeper appreciation for the benefits of regular yoga practice.

As part of promoting patriotism and national identity, **Radiant Indian School for Girls and Boys, Sharjah**, organized a **"Pledge and Commitment to UAE"** programme on **17th June 2026**. The programme was organized by the SST Department under the guidance of the respected Principal, with the support of teachers and the school management. Students from K.G to Grade 12 enthusiastically participated in various activities that highlighted the importance of unity, tolerance, respect, and service to the nation. The event provided an opportunity for students to express their love and gratitude towards the UAE and to reaffirm their commitment to being responsible residents and future global citizens.

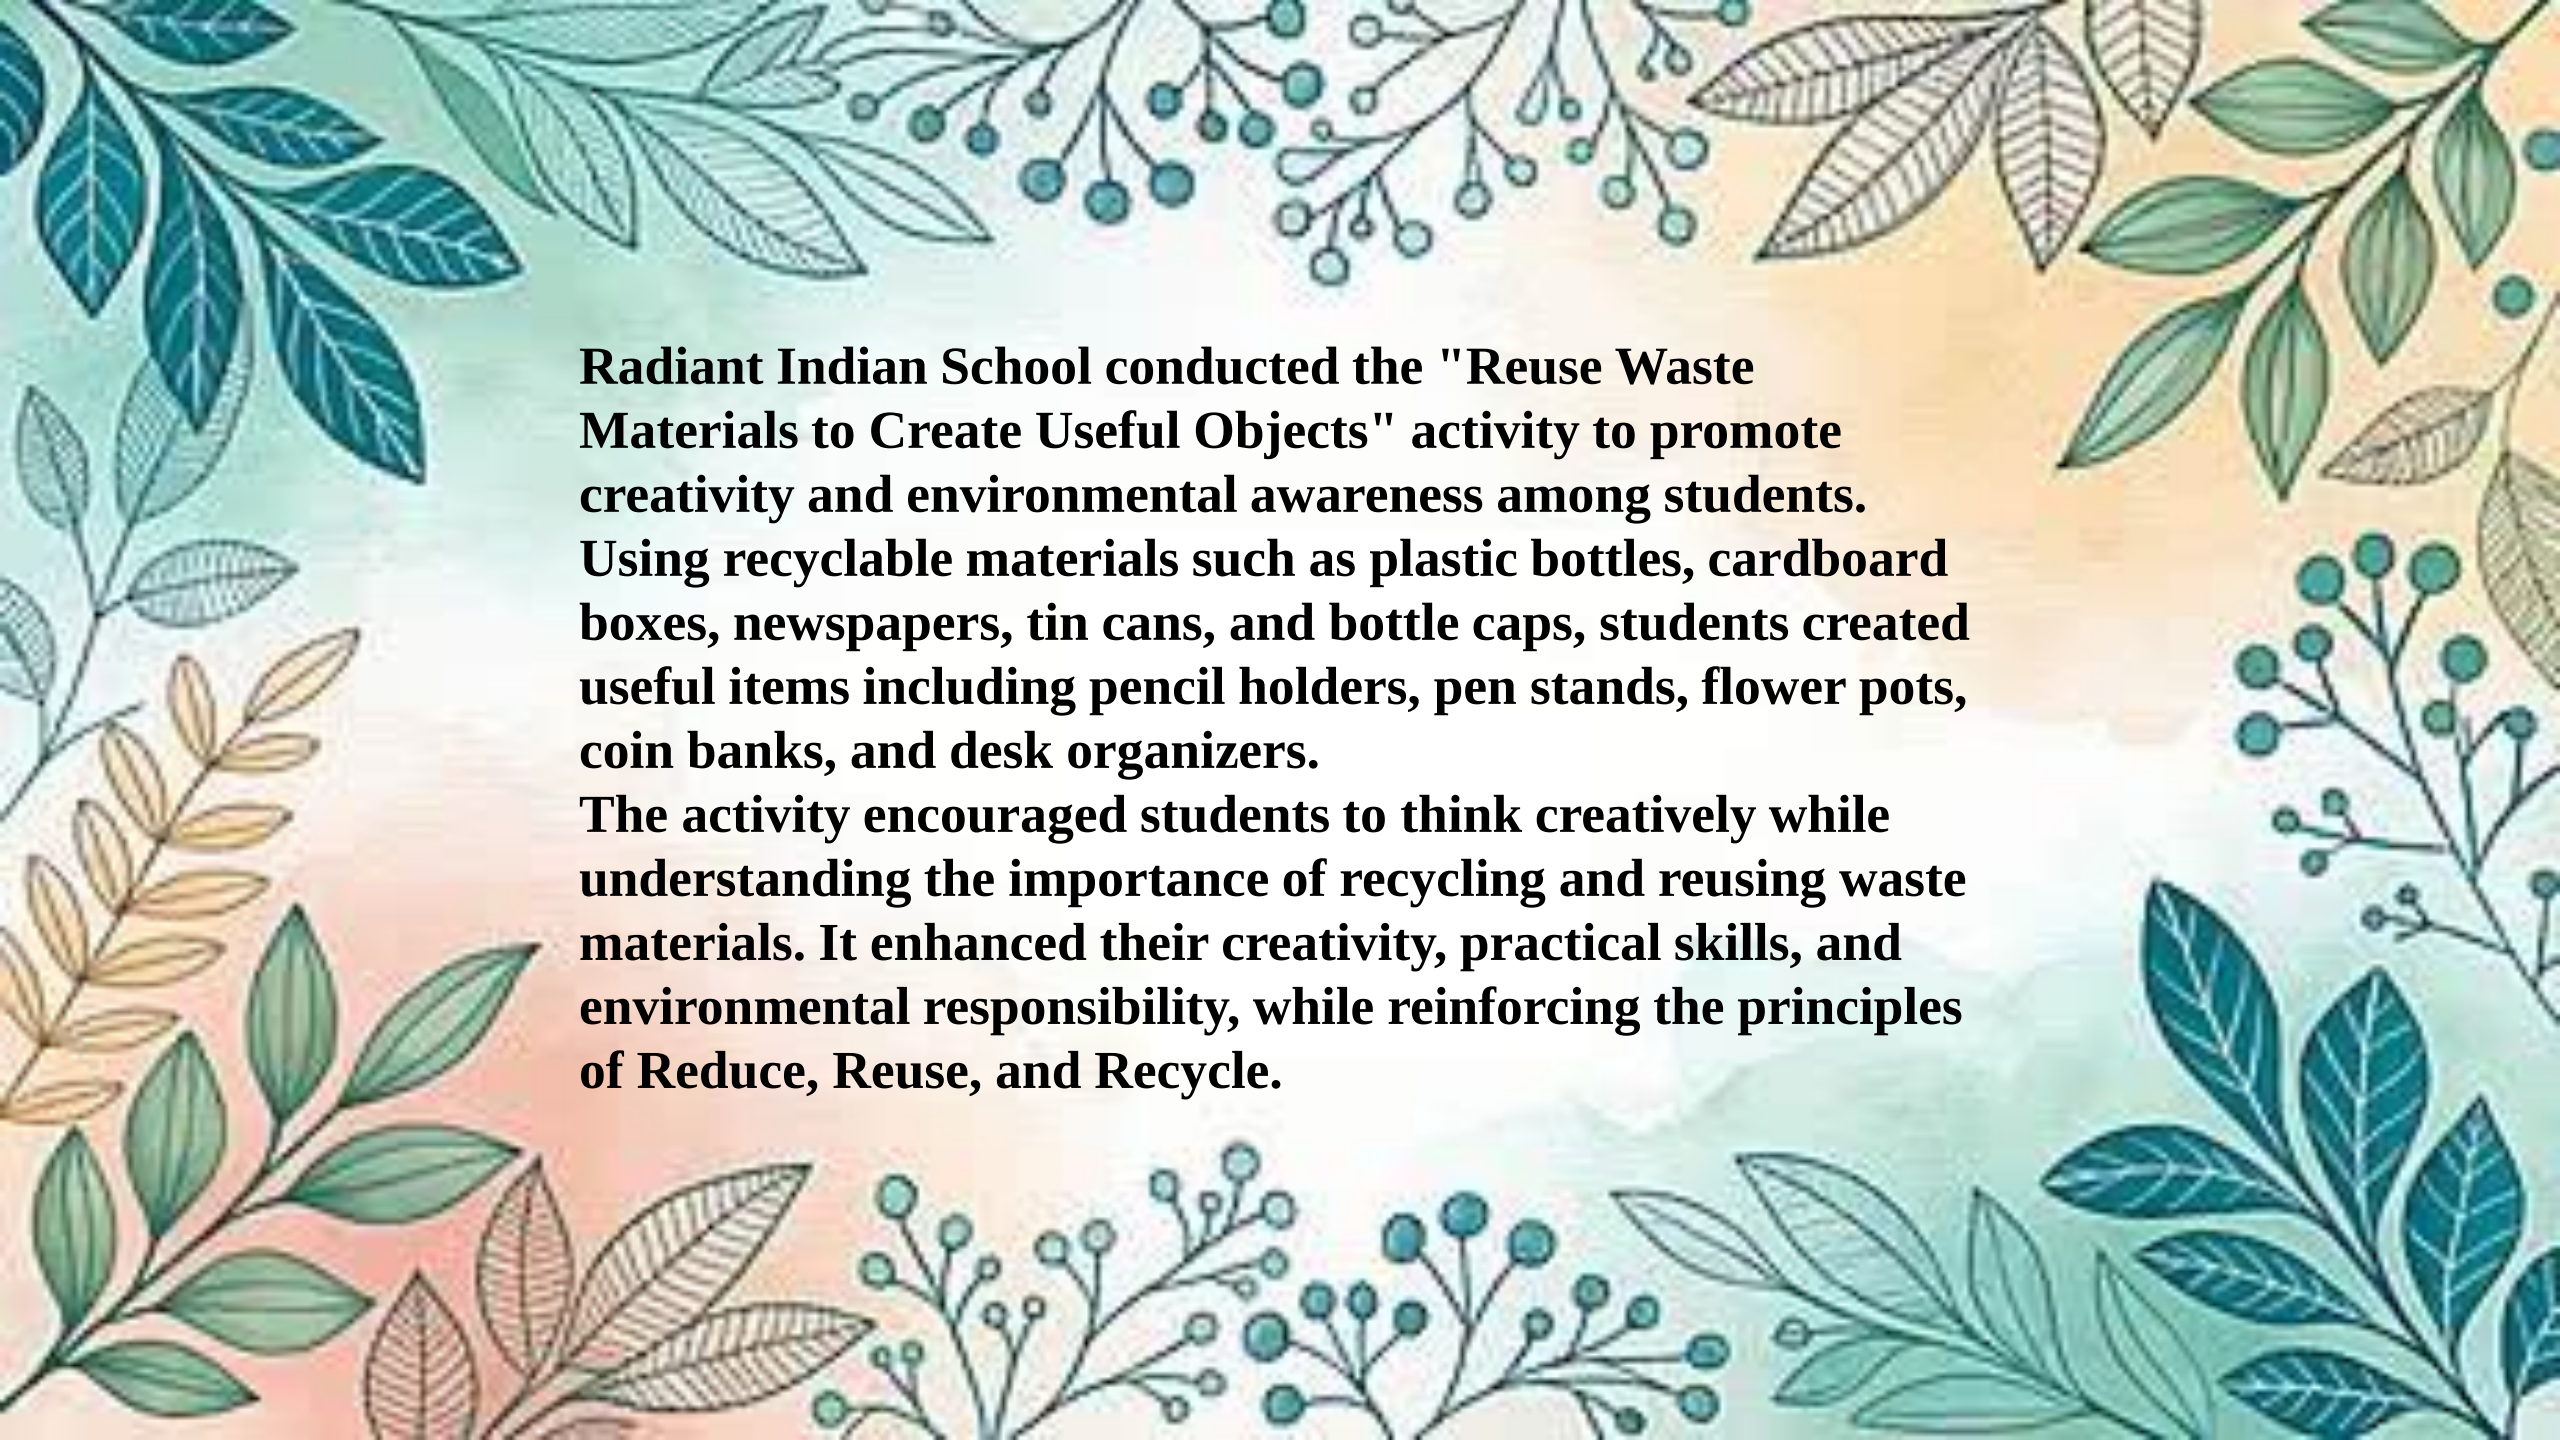

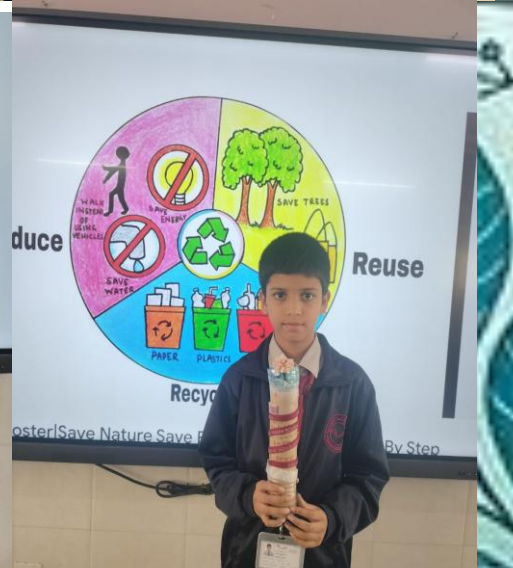

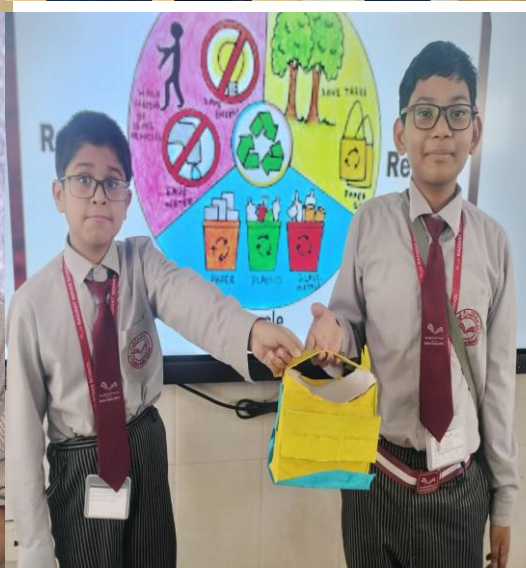

Reuse
Waste Materials
to Create
Useful Objects

Radiant Indian School conducted the "Reuse Waste Materials to Create Useful Objects" activity to promote creativity and environmental awareness among students. Using recyclable materials such as plastic bottles, cardboard boxes, newspapers, tin cans, and bottle caps, students created useful items including pencil holders, pen stands, flower pots, coin banks, and desk organizers. The activity encouraged students to think creatively while understanding the importance of recycling and reusing waste materials. It enhanced their creativity, practical skills, and environmental responsibility, while reinforcing the principles of Reduce, Reuse, and Recycle.
