Education
Is the Key to
Success

FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Mrs. Shinu Aneesh
Principal
Radiant School, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Vice Principal,
Radiant School

INTERNATIONAL OZONE DAY 2026

Global Action for a Cooler Climate

OZONE LAYER ... OUR SHIELD FOR LIFE

Small
Choices
Make a Big
Difference

Radiant Indian School for Girls and Boys, Sharjah, celebrated International Ozone Day to raise awareness about the importance of the ozone layer and its role in protecting the Earth from harmful UV radiation.

Students participated in various activities, including My Ozone Shield model/poster making, Ozone Mini Brochure preparation, research on ozone protection, short presentations, and a special assembly featuring speeches and a pledge. These activities helped students understand ozone depletion, its effects, and the importance of adopting eco-friendly practices.

The celebration encouraged students to become responsible environmental citizens and contribute towards protecting the ozone layer for a healthier planet.

WORLD

LITERACY DAY

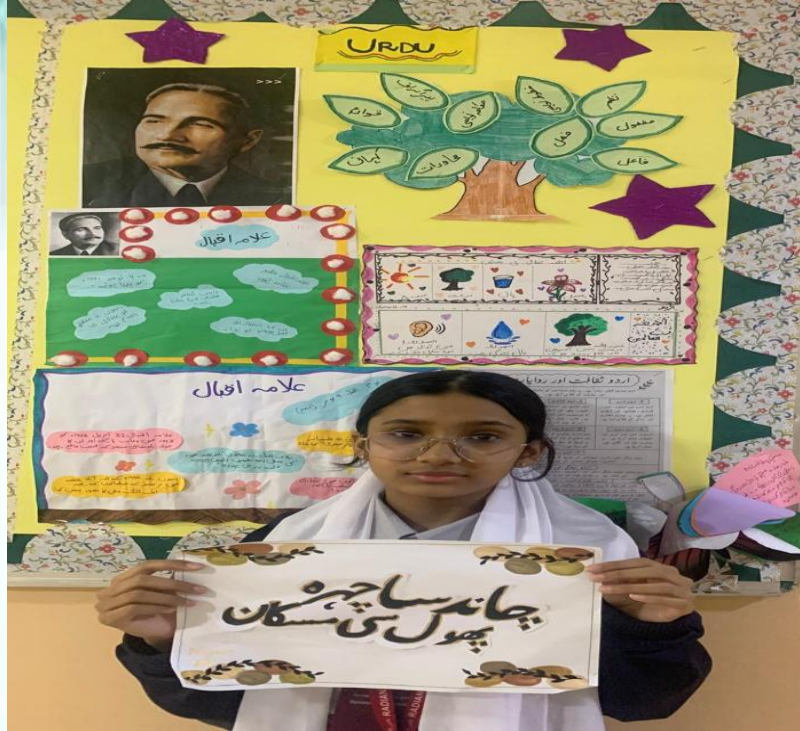

Radiant Indian School for Girls and Boys, Sharjah, celebrated World Literacy Day on 8, September 2026 in the school ground with great enthusiasm and active participation from students across all grades. The programme was organised to highlight the importance of literacy, language, communication, and cultural diversity. It provided students with a platform to express their creativity and talents while appreciating the richness of different languages, literary traditions, and cultures.

The official programme commenced with a Character Parade by the KG students, who dressed up as a variety of famous authors and beloved fairy-tale characters. The event then continued with a wide variety of programmes representing different cultures and traditions through folk dances, songs, speeches, and other cultural performances.

The World Literacy Day celebration was a vibrant and enriching experience that successfully brought together language, literature, culture, and creativity. The enthusiastic participation of the students and the variety of performances made the programme meaningful and memorable. The event reinforced the message that literacy goes beyond reading and writing; it empowers individuals to communicate, think critically, express themselves confidently, and appreciate the diverse world around them.

Glimpses of the Day:
