SIR ANTHONY SELDON

FROM OUR PRINCIPAL

Dear parents,

Radiant school Sharjah emphasizes on all round development of extra- curricular activities that inculcate team spirit, exploration and development of each students potential and confidence.

- I commend the entire staff of our school for their determination and being the architects of our success. I also appreciate the parents of our children for their warm and positive involvement. We accentuate the academic, cultural, sporting and spiritual dimensions in the course of our pupil's time with us. Our moderate school fees are the further attraction to our prospective parents, who being to our school a richness in background and culture.

Mrs. Shinu Aneesh
Principal
Radiant School, Sharjah

FROM OUR VICE-PRINCIPAL DESK

Dear Parent,

Albert Einstein said, “Education is not about learning of facts but training young minds to think.” We at Radiant School, works towards holistic development of our students by providing them the tools and experiences that encourage our students to think. The aim is to create empowered minds so that students are able to decide what is good for them, differentiate between right and wrong, choose opportunities that help build them up and enable them to live in harmony with all existence. As the new Vice Principal, I am delighted that the school’s values align with my own personal values, including the importance of trust, respect, innovation and a sense of community.

We as a team of dedicated staff and teachers committed for the welfare and progress of the children. We believe children need to understand the importance of emotional balance and critical thinking! We believe in empowering our children in such a manner that they act as representatives of a meaningful and value-based society!

Lets imbibe the love of nation, respect for fellow beings, treating all with equality.

Lets guide and realize the young ones forward, our responsibilities are nurturing their curiosity, igniting their minds to pierce the skies, helping them to discover the world of books and richness of experience, ponder on the “mystery of birds in the sky, the bees in the sun, the flowers on a green hill”, and master the magic of technology.

Vice Principal,
Radiant School

Year of Family Activity

The UAE has designated 2026 as the "Year of Family". Declared by UAE President Sheikh Mohamed bin Zayed Al Nahyan, this initiative highlights the family as the foundation of a strong community, focusing on nurturing bonds and strengthening societal wellbeing under the theme "Growing in Unity"

Our Students shared collection of joyful memories of family through pictures. Students express their family moments by giving speeches. Families showed gratitude to UAE through their cheerful pictures.

GRATITUDE TO UAE

The United Arab Emirates is a nation known for its safety, rapid development, and cultural harmony. It provides its residents with quality education, modern infrastructure, and a peaceful environment. People from diverse backgrounds live together with mutual respect and understanding. As members of this society, expressing gratitude towards the UAE helps strengthen our sense of belonging and responsibility.

Our students wrote heartfelt messages expressing gratitude to the UAE for providing a safe and supportive environment and designed artistic representations of the UAE flag, showcasing their pride and creativity.

Students created short videos expressing appreciation for the country, highlighting its achievements and values and shared photos that reflect pride in the nation, such as images with the UAE flag or symbols of national unity

WORLD HERITAGE DAY

- Radiant India School celebrated World Heritage Day on 16 April 2026 through an online platform. The celebration aimed to spread awareness among students about the importance of protecting our cultural and natural heritage.

Radiant Indian School, Sharjah, proudly organized a meaningful and engaging educational program for students focusing on the theme “**Protected Nation, Build Education.**” The event aimed to develop awareness about safety, responsibility, national identity, and the role of education in building a secure and progressive society.

The program was conducted under the guidance of the Social Science Department and witnessed active participation from students across all sections. It provided a platform for students to explore real-life issues, develop critical thinking, and express their ideas creatively and confidently.

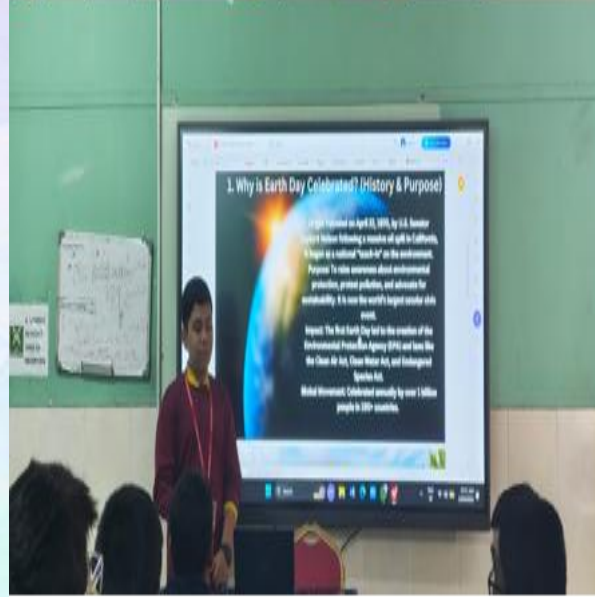

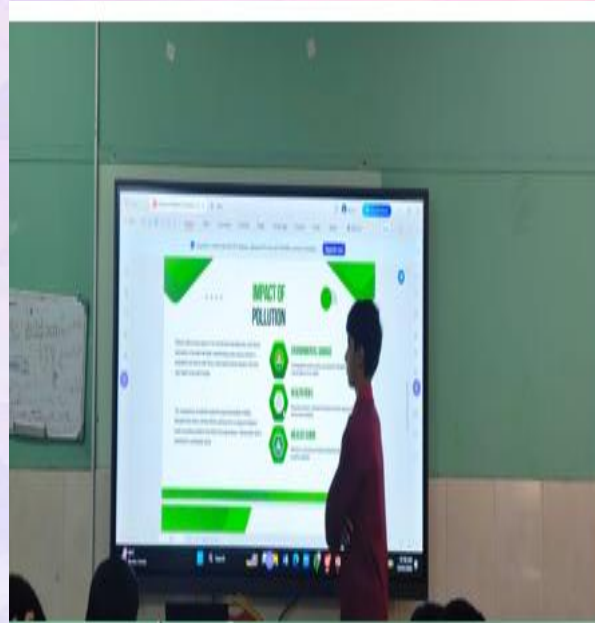

EARTH DAY

- **We (Radiant Indian School for Girls and Boys) conducted a special Earth Day assembly in the indoor auditorium, following the guidelines given by SPEA, to celebrate the occasion and create awareness among students about the importance of protecting our planet. The assembly was meaningfully organized and presented by Grade 10A girls, who delivered an inspiring speech on saving the Earth and highlighted the need for responsible environmental actions.**
- **The celebration emphasized key messages such as reducing waste, reusing materials, recycling resources, saving water and electricity, and planting more trees. It encouraged students to adopt eco-friendly habits in their daily lives and become responsible citizens who contribute towards a greener and healthier Earth.**
